Brief *Introduction to Criminal Justice Practice and Process* is a condensed version of the best selling *Introduction to Criminal Justice Practice and Process* by Kenneth J Peak and Tamara D Madensen Herold This new text uses a practical applied approach to teach students the fundamentals of the U S criminal justice system in a concise and accessible format The authors draw on their many years of combined practitioner and academic experience to explain the importance of criminal justice and show how key trends emerging issues and practical lessons can be applied in the field This title is accompanied by a complete teaching and learning package **Development Without Aid** David A. Phillips, 2013-04-01 *Development*

Without Aid opens up perspectives about foreign aid to the world's poorest countries Growing up in Malawi the author developed a sense of the limitations of foreign assistance and from this evolves a critique of foreign aid as an alien resource unable to provide the dynamism that could propel the poorest countries out of poverty The book aims to help move the discussion beyond foreign aid It examines the rapid growth of the world's diasporas as a quasi indigenous resource of increasing strength in terms of both financial and human capital and considers how far such a resource might supersede aid It uses extensive research findings to explore the possibilities for a resumption of sovereignty by poor states especially in Africa over their own development with the assistance of the world's diasporas Arts-Based Coaching Andrea Giraldez

Hayes, Earnes Max, 2024-12-23 This book written in an accessible way by leading experts in the field offers a comprehensive exploration of arts integration in coaching through the lenses of positive and health psychology Drawing together international experts and interdisciplinary perspectives including health and neuroscience the book explores the intersection of positive psychology and the arts offering insights and strategies for using art to promote personal growth The chapters in this book weave theory into practice condense research and theoretical concepts into straightforward frameworks and offer easily understandable ideas and examples It provides a theoretical rationale for various art forms including poetry music

visual arts dance cinema and photography Each chapter includes case studies to present practical ways in which arts can enhance coaching conversations Arts Based Coaching is a practical guide that will interest coaching psychologists coaches dual practitioners offering therapeutic coaching leaders educators and other professionals using coaching in their professional practice as well as course leaders and students in coaching and coaching psychology

The Myth of Child Protection Rona Jualla van Oudenhoven,Dawn Walcott-Parris,Steve Woodman,2022-07-15 The Myth of Child Protection captures the harsh ironic reality of the harm that arises when well intentioned systems are broken This book serves as a guide for persons who want to create change for the better in the system It is an apology to all those children and youth whom the system has failed At the same time it is a pledge to do better by those still present and others yet to come In those instances where intervention did more good than harm it is a recognition of this good This journal of collective writing is geared towards jointly generating new knowledge that is fueled by the past seeks to inform the present and shape the future Included in this book are the critical voices of advocacy and allyship united in change It is a unique collection of essays guides and best practices that would normally stay in quiet quarters as documents circulating within agencies Instead it recognizes the good work already being done and the need to use these bodies of work as best practice because they come from within the organizations and in that sense the true experts This book is dedicated to all children and youth in the child welfare system
