A Hand-book for American Travellers in Europe Roswell Park, 1853 **The Intelligent American's Guide to Europe** Erik von Kuehnelt-Leddihn, 1979 The Index Guide to Travel and Art-study in Europe Lafayette Charles Loomis, 1892 **U.S. Army Intelligence in Germany, 1944-1949** Thomas Boghardt, 2023-11-06 The American military occupation of Germany lasted five years During this time Germany made great strides along the road from fascism to democracy Europe became the fulcrum of the Cold War and the United States emerged as a global superpower This book corrects numerous misunderstandings and fills many gaps in our knowledge about the occupation Military Intelligence, 1990 *Intelligence Studies in Britain and the US* Christopher R. Moran, 2013-03-31 The first introduction to writing about intelligence and intelligence services Secrecy has never stopped people from writing about intelligence From memoirs and academic texts to conspiracy laden exposes and spy novels writing on intelligence abounds Now this new account uncovers intelligence historiography s hugely important role in shaping popular understandings and the social memory of intelligence In this first introduction to these official and unofficial histories a range of leading contributors narrate and interpret the development of intelligence studies as a discipline Each chapter showcases new archival material looking at a particular book or series of books and considering issues of production censorship representation and reception The G.I. Collector's Guide: U.S. Army Service Forces Catalog, European Theater of Operations Henri-Paul Enjames, 2022-09-21 In World War II the U S Army not only supplied its soldiers with the most modern equipment and uniforms suitable for any combat situation but went as far as providing them with their favorite drinks or candy bars and seemingly anything else they might require This comprehensive reference book brings together all the equipment issued to American soldiers in the European Theater of Operations 1943 45 Each item is presented with its catalog numbers described in detail and fully depicted in photographs including close ups of the labels to aid identification of items Graphics and diagrams offer additional information and context This second volume of the G I Collector s Guide is fully revised with the addition of sections including personal equipment trophies and souvenirs the wartime draft and Stateside training and the life of POWs in German camps More than one thousand new artifacts with detailed captions are featured in this completely revised new work Expert Henri Paul Enjames describes all variations of uniform insignia badges weapons and equipment in detail As a complete catalog with high quality photographs this book is invaluable to both family historians researching grandpa s kit found in the attic and to collectors in their quest to find authentic items among the reproductions that flood the modern market **Trübner's American, European and Oriental literary record**, 1880 **America and the Intellectual Cold Wars in Europe** Volker R. Berghahn, 2002-08-18 In 1958 an attempt was made to measure America s cultural impact on Europe with the aim of determining whether efforts to improve opinions of American culture were succeeding This work examines the triangular relationship between the producers of ideologies corporate America and policymakers **Trübner's American and**
