A. **Walter Dill** English colonists, ideas about the role and shape of government influenced the growth of the colonies, the laws that they created, and the system of government that later today.

1. **English**, **Colonists**, customs and ideas reflected from British lawmakers are important contributions to the founding principles and development of the United States.

2. The principle that a government's power is derived absolutely from the people. **Magna Carta**, which the English people have regarded as a guarantee of **English**, **government**.

3. The English **Bill of Rights**, and other documents that established and confirmed constitutional documents applied to them and gave them the same rights as people living in Britain.

4. The English system of **law**, especially as organized by the British Parliament, was widely followed in the colonies.

5. British Parliament, which distinguished themselves from people, was a familiar example of **representative**, government, but they criticized it.

6. Thomas Hobbes developed the **Social**, **Contract**, theory, which suggested that people give up their individual sovereignty to the government in exchange for the government's maintenance of law and order.

7. John Locke believed that people have **natural**, **rights**, as human beings and a government that failed to protect them has lost its legitimacy.

8. John Locke believed in **law**, **justice**, **liberty**, freedom that people rights and responsibilities beyond any single as a community, especially as a social contract to protect their rights while creating law and government.

9. Charles-Louis de Montesquieu suggested **separation**, the powers of government.

10. **Walter Dill** said that the English colonies had the same government structure.
