An Unexpected Victory An Unexpected Fate Series 6:

Surprise Attack Ephraim KAM, Ephraim Kam, 2009-06-30 Ephraim Kam observes surprise attack through the eyes of its victim in order to understand the causes of the victim's failure to anticipate the coming of war. Emphasizing the psychological aspect of warfare, Kam traces the behavior of the victim at various functional levels and from several points of view in order to examine the difficulties and mistakes that permit a nation to be taken by surprise. He argues that anticipation and prediction of a coming war are more complicated than any other issue of strategic estimation involving such interdependent factors as analytical contradictions, judgemental biases, organizational obstacles, and political as well as military constraints. *Surprise Attack: The Victim's Perspective* offers implications based on the intelligence perspective, providing both historical background and scientific analysis that draws from the author's vast experience. The book is of utmost value to all those engaged in intelligence work and to those whose operational or political responsibility brings them in touch with intelligence assessments and the need to authenticate and then adopt them or discount them. Similarly, the book will interest any reader intrigued by decision-making processes that influence individuals and nations at war and sometimes even shape national destiny. Ehud Barak, Former Prime Minister of Israel. *Radio Program Openings and Closings, 1931-1972* Vincent Terrace, 2015-06-08 The openings and closings to radio programs of all types from comedies *Blondie*, *The Jack Benny Program*, *Lum and Abner* to mysteries *Inner Sanctum*, *Mysteries*, *The Black Chapel* to game shows *Can You Top This?*, *Truth or Consequences* to serials *Second Husband*, *Bachelor's Children* to crime dramas *The Falcon*, *Eno*, *Crime Clues*, *The Green Hornet*, *Mr. and Mrs. North* to westerns *Gunsmoke*, *Wild Bill*, *Hickok*, *Hawk*, *Larabee* that were aired between 1931 and 1972 are included in this work. Each entry has a brief introductory paragraph that provides information about the storyline, principal cast, sponsors, and air dates. Commercials have been included if the programs were under regular sponsorship. Includes three appendices: sponsors, slogans, and jingles, and World War II announcements, and an index. **The New Gold Standard** Tim Prister, 2006-09-05 From the most storied school in college football history, The Gold Standard, abandoned by most of the world in the 1930s, has been an article of faith in South Bend, Indiana, for almost a century. Mere winning records and second-tier bowl games. Not good enough for Fighting Irish fans. No college football program has produced more national championships, more All-Americans, and more Heisman Trophy winners than Notre Dame. But recently, not so much. No national championship since 1988, only one All-American since 1994, and a combined 11-12 record in the 2003-2004 seasons. So out went Tyrone Willingham, fired just three years into a five-year contract, the first Irish coach ever to be dismissed before the end of his deal. In came Charlie Weis, a forty-nine-year-old Notre Dame grad with no head coaching experience but four Super Bowl rings as an assistant coach. Weis proved in the space of a single season to be a football maestro with a hard edge, a brilliant mind, an affinity for detail, and an uncanny sense of how to motivate people. He returned a program mired in the blahs to its rightful and historic place among college football's elite. This book takes you inside a season unlike any other in

Fighting Irish history and inside Weis's master plan for restoring the Gold Standard in South Bend Battle of Britain 1940

stirring triumphs broken the color barrier turned the game into a true coast to coast sport and produced many Hall of
Famers This is their story **Clearinghouse Review**, 1990 , Joshua, Judges, and Ruth A. Graeme Auld, 1984-01-01
The three books considered in this volume constitute the principal biblical witness to Israel's early history According to A
Graeme Auld they tell the story of how under Joshua the land was first taken by Israel and then apportioned to her various

tribes They tell how after Joshua there was a long period of ups and downs of religious apostasy within the community and repeated harassment from abroad answered by a series of divinely impelled Judges or Deliverers They offer some samples of life in Israel in the days when the Judges ruled or when there was not yet a king in Israel Carrying forward brilliantly the pattern established by Barclay's New Testament series the Daily Study Bible has been extended to cover the entire Old Testament as well Invaluable for individual devotional study for group discussion and for classroom use the Daily Study Bible provides a useful reliable and eminently readable way to discover what the Scriptures were saying then and what God is saying today
