Accept any seven of the following answers:

| UNSAFE SITUATION                                                                  | POSSIBLE INJURY                                                                                        |
|-----------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------|
| heating a test tube without wearing safety goggles                                | eye damage caused by broken glass if test tube shatters or acid or base burns if liquid boils suddenly |
| not tying back long hair while using a Bunsen burner                              | burns caused by hair catching on fire                                                                  |
| eating and drinking in the lab while dissecting a specimen                        | ingestion of harmful substances caused by contamination of food                                        |
| drinking unknown chemicals from a beaker                                          | ingestion of harmful substances                                                                        |
| washing an electrical equipment with water                                        | electrocution the next time the electrical equipment is plugged into the wall                          |
| horseplay or fooling around in the lab                                            | head or other injuries                                                                                 |
| spills on the floor                                                               | head or other injuries from slipping and falling                                                       |
| working in a crowded work area, starting a lab without clearing off the work area | spillage, causing acid burns or falls                                                                  |
| chemical spill on the table                                                       | acid burn if spill is corrosive                                                                        |
| working with broken glassware                                                     | getting a cut                                                                                          |
| pouring acid into a test tube without using a test tube rack                      | acid burn                                                                                              |

##### Comprehension

###### Safety do's and don'ts

###### Page 5

1. Unsafe practice: improper way of smelling sample  
Correct thing to do: hold the beaker at arm's length and waft the fumes toward the nose
2. Unsafe practice: not taking immediate action  
Correct thing to do: tell partner to stop, drop, and roll; inform the teacher; use the fire blanket
3. Unsafe practice: pouring chemical back into the original container  
Correct thing to do: dispose of the chemical as instructed by your teacher
4. Unsafe practice: spill on the floor; someone could slip and fall  
Correct thing to do: clean up the spill immediately
5. Unsafe practice: not listening to instructions  
Correct thing to do: listen to the teacher's instructions; ask the teacher if you are unclear as to what you should be doing
6. Unsafe practice: using a chemical that is not clearly labelled; do not know for sure what chemical you are using  
Correct thing to do: only use chemicals in clearly marked containers

##### Applying Knowledge

###### What is WHMIS?

###### Page 6

1. Corrosive material: will corrode substances with which it comes in contact, including human flesh
2. Dangerously reactive material: may readily react with other substances to produce harmful effects (bleach is an example)
3. Flammable and combustible material: will readily burst into flames
4. Poisonous and infectious material causing immediate and serious toxic effects: likely to cause illness or death if ingested or spilled on skin

## Answers For Check In Bc Science 9 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Answers For Check In Bc Science 9 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Answers For Check In Bc Science 9 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Answers For Check In Bc Science 9 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Answers For Check In Bc Science 9. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users

should always be cautious and verify the legality of the source before downloading Answers For Check In Bc Science 9 any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Answers For Check In Bc Science 9 Books**

1. Where can I buy Answers For Check In Bc Science 9 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
