ideas and university lecturers with examples whereby the curricula have been broadened to include pluralist and heterodox ideas

Popular Literature, Science and Arts, 1894 *The Shamrock*, 1868 **Finding True North** Fran Yardley, 2018-05-23

An evocative and personal history of a unique historic place in the Adirondacks. In 1968, Fran and Jay Yardley, a young couple with pioneering spirit, moved to a remote corner of the Adirondacks to revive the long-abandoned but historic Bartlett Carry Club, with its one thousand acres and thirty-seven buildings. The Saranac Lake area property had been in Jay's family for generations, and his dream was to restore this summer resort to support himself and eventually a growing family. Fran chronicles their journey, and along the way, unearths the history of those who came before, from the 1800s to the present. Offering an evocative glimpse into the past, *Finding True North* traces the challenges and transformations of one of the world's most beautiful, least-celebrated places and the people who were tirelessly devoted to it. Fran Yardley is a superb storyteller, and this is a superb story of a camp and of a marriage illuminating a key corner of the slightly-out-of-time paradise that is the Adirondacks. Bill McKibben, author of *Radio Free Vermont: A Fable of Resistance*, says Fran Yardley has given us an emotionally moving book combining memoir and Adirondack history. With a singular and powerful voice in a tightly organized narrative, she deftly weaves together two distinct strands: her own remarkable story and the history of Bartlett's Carry. Philip Terrie, author of *Seeing the Forest: Reviews, Musings, and Opinions from an Adirondack Historian*, says Fran Yardley, storyteller, actress, writer, and stalwart Adirondacker, takes us behind the balsam curtain to a truly magical place on the Saranac Lakes. *Finding True North* is the tale of families, forests, tragedy, and triumph, told from the heart with deep insight. It's a terrific, immersive read. Elizabeth Folwell, editor at large, *Adirondack Life*, says: "Gifted storyteller Fran Yardley has harnessed her many voices to the printed page in this remarkable memoir. Yardley interweaves her firsthand experience, hinged to historic documentation, with

her imagination as she reveals the lives and ways of those who went before and coexisted with her and Jay Yardley at Bartlett Carry Finding True North is a must read love story about Adirondack place and people Caroline M Welsh Director Emerita Adirondack Museum In Finding True North Fran Yardley has produced an immediate and necessary addition to the body of Adirondack literature and history Long in the making it is beautifully written authoritative and moving Christopher Shaw author of Sacred Monkey River A Canoe Trip with the Gods and former editor of Adirondack Life Author and master storyteller Fran Yardley tells of the early history of the aquatic Adirondack crossroads known as Bartlett Carry the later history of the place as a club for families eager to swap conventional orbits outside the mountains for the natural world within and the reinvention of the place by the author and her visionary late husband Jay The stories that flow together here touch the heart and bring the reader to tears and laughter For lovers of the Adirondacks and particularly for those keen on understanding how the past shapes the present and the future this is a must read Ed Kanze author of Adirondack Life and Wildlife in the Wild Wild East **The Canada Farmer** ,1864 *The Gentleman's Journal* ,1870
