

A top-down view of a gardening workspace. The background is a dark, textured surface, possibly a table or ground, covered with dark soil. Several potted plants are arranged around the perimeter: a succulent with small green leaves and yellow flowers in the top left; a fern-like plant with long, feathery green leaves in the top center; a dense, bushy green plant in the top right; a basil plant with large, rounded green leaves in the bottom left; a small basil plant in a square pot in the bottom center; and another basil plant in a square pot in the bottom right. Two gardening tools are visible: a trowel with a wooden handle and a metal head, and a fork-like tool with a wooden handle. A small pile of dark soil is on the trowel. A spool of twine is visible in the top right corner.
