EBOOK: Towards Effective Subject Leadership in the Primary School David Bell,Joanne Hollows,2005-09-16 This book examines the post of subject leader in primary schools in the light of the four key areas defined by National Standards for Subject Leadership strategic direction and development teaching and learning leading and managing staff efficient and effective deployment of staff The book combines existing research data and new material gathered by the authors It presents the underpinning principles and analyses the complex set of roles and responsibilities undertaken by subject leaders Most importantly it provides practical advice for subject leaders illustrated by a series of case studies and tasks which are addressed directly to subject leaders The authors have taken a generic approach looking at issues such as changing roles and responsibilities planning for teaching and learning working with colleagues and others managing resources and bringing about school improvement that have to be addressed by all subject leaders whatever their particular area of responsibility Throughout the book emphasises the importance of leadership children s learning professional development and collaboration The book will be of value to all primary school teachers and especially subject leaders

EBOOK: Transitions in Context: Leaving Home, Independence and Adulthood Clare Holdsworth,David Morgan,2005-07-16 Social scientists are gradually responding to the challenge of re theorizing youth transitions in the face of social change and this book makes an important contribution to the literature in this respect It provides absorbing insights

into intergenerational change and its effect on intergenerational relationships and will be of interest to students of family studies as well as youth studies Gill Jones Emeritus Professor of Sociology Keele University How do young people experience leaving home What is the relationship between leaving home independence and adulthood How important are family friends and other sources of support in young people s lives This book addresses important aspects of youth transitions It uses the experiences of leaving or planning to leave the parental home as an example of an increasingly complex transition one which provides the opportunity to reflect upon the meanings of home independence and adulthood It explores cross cultural differences as well as the interrelationships between transitions to adulthood the achievement of independence and leaving home The role of significant others particularly parents on young people s decisions is a key theme as well as considering how young people s practices impact on others The book places the processes of leaving the parental home in a wider perspective theoretically and in terms of policy concerns Throughout the text different international contexts are used for comparison Drawing on a broad range of disciplines including sociology geography social policy youth studies and cultural studies this is a key text for researchers post graduate students and final year undergraduates interested in issues related to the family youth studies and comparative social sciences
