*Discipline Problems* Tadashi Dozono,2024-05-07 Angel a Black tenth grader at a New York City public school self identifies as a nerd and likes to learn But she s troubled that her history classes leave out events like the genocide and dispossession of Indigenous people in the Americas presenting a sugar coated image of the United States that is at odds with her everyday experience The history I learned in school is simpler she says The world I live in is a lot more complex Angel like every student interviewed in *Discipline Problems* has been identified by teachers as a troublemaker a student whose behavior disrupts classroom norms and interferes with instruction But her critiques of the curriculum she s taught speak to her curiosity and insight crucial foundations for understanding history Like many students who have been marginalized by systemic racism in American schools she exposes the shortcomings of her classrooms academic environments by challenging both the content and the methods of her education All too often these challenges are framed as troublemaking and the students are disciplined for acting out instead of being rewarded for their intellectual engagement Tadashi Dozono a professor of education and former high school social studies teacher takes seriously the often overlooked critiques that students of color who get labeled as troublemakers direct toward their high school history curriculum He reinterprets troublemaking usually cast as a behavioral deficit as an intellectual asset and form of reasoning that challenges the disciplining reason of classrooms where whiteness is valued over the histories and knowledge of people of color Dozono shows how what are traditionally framed as discipline problems can be seen through a different lens as responses to educational practices that marginalize non white students *Discipline Problems* reveals how students of color seek out alternate avenues for understanding their world and imagines a pedagogy that champions the curiosity intellect and knowledge of marginalized learners

**MSF and THE ROHINGYA 1992-2014** Laurence BINET,2020-11-01 [Land Solutions for Climate Displacement](#) Scott Leckie,2014-05-23 The threat of climate displacement looms large over a growing number of countries Based on the more than six years of work by

Displacement Solutions in ten climate affected countries academic work on displacement and climate adaptation and the country level efforts of civil society groups in several frontline countries this report explores the key contention that land will be at the core of any major strategy aimed at preventing and resolving climate displacement This innovative and timely volume coordinated and edited by the Founder of Displacement Solutions Scott Leckie examines a range of legal policy and practical issues relating to the role of land in actively addressing the displacement consequences of climate change It reveals the inevitable truth that climate displacement is already underway and being tackled in countries such as Bangladesh Kiribati Papua New Guinea Solomon Islands Tuvalu and the United States and proposes a series of possible land solution tools that can be employed to protect the rights of people and communities everywhere should they be forced to flee the places they call home

**Democracy is the Answer** Alaa Al Aswany,2015-02-15 As the Egyptian revolution unfolded throughout 2011 and the ensuing years no one was better positioned to comment on it and try to push it in productive directions than best selling novelist and political commentator Alaa Al Aswany For years a leading critic of the Mubarak regime Al Aswany used his weekly newspaper column for Al Masry Al Youm to propound the revolution s ideals and to confront the increasingly troubled politics of its aftermath This book presents for the first time in English all of Al Aswany s columns from the period a comprehensive account of the turmoil of the post revolutionary years and a portrait of a country and a people in flux Each column is presented along with a context setting introduction as well as notes and a glossary all designed to give non Egyptian readers the background they need to understand the events and figures that Al Aswany chronicles The result is a definitive portrait of Egypt today how it got here and where it might be headed
