The Varieties of Orthographic Knowledge V.W. Berninger, 2012-12-06 The role of orthography in reading and writing is not a new topic of inquiry For example in 1970 Venezky made a seminal contribution with *The Structure of English Orthography* in which he showed how both sequential redundancy probable and permissible letter sequences and rules of letter sound correspondence contribute to orthographic structure In 1972 Kavanagh and Mattingly edited *Language by Eye and by Ear* which contained important linguistic studies of the orthographic system In 1980 Ehri introduced the concept of orthographic images that is the representation of written words in memory and proposed that the image is created by an amalgamation of the word's orthographic and phonological In 1981 Taylor described the evolution of properties orthographies in writing systems from the earliest logographies for pictorial representation of ideas to syllabaries for phonetic representation of sounds to alphabets for phonemic representation of sounds In 1985 Frith proposed a stage model for the role of orthographic knowledge in development of word recognition Initially in the logographic stage a few words can be recognized on the basis of partial spelling information in the alphabetic stage words are recognized on the basis of grapheme phoneme correspondence in the orthographic stage spelling units are recognized automatically without phonological mediation In 1990 Adams applied connectionism to an analysis of the orthographic processing of skilled readers letter patterns emerge from the association units linking individual letters

Bilingual Special Education for the 21st Century: A New Interface Colón, Gliset, Alsace, Tamara O., 2022-05-13 Bilingual students with disabilities have an established right to be educated in their most proficient language However in practice many culturally and linguistically diverse students still do not receive the quality of education that they are promised and deserve Multilingual learners with disabilities must be acknowledged for the assets they bring and engaged in classroom learning that is rigorous and relevant *Bilingual Special Education for the 21st Century: A New Interface* addresses the complex intersection of bilingual education and special education with the overlay of culturally and linguistically sustaining practices This work provides practical solutions to current dilemmas and challenges today's educators of multilingual learners with disabilities face in the classroom Covering topics such as dual language education identification practices and transition planning this book is an essential resource for special education experts faculty and administration of both K 12 and higher education pre service teachers researchers and academicians

How Do You Know What You Know? Noa Jones, 2023-10-03 2024 NAPPA Award winner A charming and inquisitive story that celebrates tracing the origin of ideas language and every day objects for children 4 8 Where does snow come from What language did the word thermos come from And who was the Buddha's teacher So many problems in the world come from accepting information at face value without looking into where it comes from *How Do You Know What You Know* follows a child and their father on a cozy snowy day outing The child asks questions about how things

came to be the way they are The questions range from how the father knows how to tie a shoe to why it s not a good idea to eat yellow snow These queries are met by the father with patience and humor that weave a delightful narrative of intergenerational knowledge sharing In this exchange respectful inquiry is beautifully modeled for young learners The journey includes an amble in the park a trip to the library a bus ride and a visit to a local Buddhist temple where the father is a student The teacher there introduces the child to the idea of lineage that wisdom and understanding comes from generations of knowledge passed down from person to person With a quaint and welcoming simplicity the illustrations bring this beautiful story to life and every spread has a subtle nod to the progression of how things come to be the way they are The story encourages children s natural curiosity and shows them that everywhere they look there is a story to be told if we just ask
