The Political Economy of Reform in Post-Mao China Elizabeth J. Perry, Christine Wong, 2020-10-26 In December 1978 the Chinese Communist Party announced dramatic changes in policy for both agriculture and industry that seemed to repudiate the Maoist road to socialism in favor of certain capitalist tendencies The motives behind these changes the nature of the reforms and their effects upon the economy and political life of countryside and city are here analyzed by five political scientists and five economists Their assessments of ongoing efforts to implement the new policies provide a timely survey of what is currently happening in China Part One delineates the content of agricultural reforms including decollectivization and the provisions for households to realize private profits and examines their impact on production marketing peasant income family planning local leadership and rural violence Part Two examines the evolution of industrial reforms centering on enterprise profit retention and their impact on political conflict resource allocation investment material and financial flows industrial structure and composition of output Through all ten chapters one theme is conspicuous the multiple interactions between politics and economics in China s new directions since the Cultural Revolution

The Solidarity Economy Tehila Sasson, 2024-05-28 The untold story of the role of humanitarian NGOs in building the neoliberal order after empire After India gained independence in 1947 Britain reinvented its role in the global economy through nongovernmental aid organizations Utilizing existing imperial networks and colonial bureaucracy the nonprofit sector sought an ethical capitalism one that would equalize relationships between British consumers and Third World producers as the age of empire was ending The Solidarity Economy examines the role of nonstate actors in the major transformations of the world economy in the postwar era showing how British NGOs charted a path to neoliberalism in their pursuit of ethical markets Between the 1950s and 1990s nonprofits sought to establish an alternative to Keynesianism through their welfare and development programs Encouraging the fair trade of commodities and goods through microfinance consumer boycotts and corporate social responsibility these programs emphasized decentralization privatization and entrepreneurship Tehila Sasson tells the stories of the activists economists politicians and businessmen who reimagined the marketplace as a workshop for global reform She reveals how their ideas though commonly associated with conservative neoliberal policies were part of a nonprofit driven endeavor by the liberal left to envision markets as autonomous and humanizing spaces facilitating ethical relationships beyond the impersonal realm of the state Drawing on dozens of newly available repositories from nongovernmental international national and business archives The Solidarity Economy reconstructs the political economy of these markets from handicrafts and sugar to tea and coffee shedding critical light on the postimperial origins of neoliberalism

Power and Inequality Alessandro Roncaglia, 2024-01-18 Power is a multi dimensional notion involving politico institutional social economic and cultural elements leading to a multi dimensional set of inequalities Analysis of these elements is a prerequisite for devising policies aiming to reducing social inequalities through a strategy of

reforms *The Conservative Party and European Integration Since 1945* N.J. Crowson,2006-12-05 This volume provides an up to date and comprehensive introduction to British policy in Europe By exploring the schisms within the party over Europe through primary source based history and theoretical discourses of political science N J Crowson gives the reader the best sense of understanding of how and why the Conservative party s policy attitudes to European integration have evolved The Conservative Party and European Integration since 1945 adopts a thematic line based around two chronological periods 1945 75 and 1975 2006 and uses different methodological approaches It explores the shifting stances amongst Conservatives within an economic political and international context as the party adjusted to the decline of Britain s world role and the loss of empire Crowson analyzes Britain s role and relationship with Europe together with the study of the Conservative Party and deals with economic commercial and monetary issues successfully bridging a serious gap in any discussion of the UK s relations with the European Union and appreciation of the political world in which Conservative European policy has been framed and pursued since 1945 This book is recommended for background reading in undergraduate courses in British politics and European history **Daily Report, China** United States.
