Commercialisation and Innovation Strategy in Small Firms Tim Mazzarol,Sophie Reboud,Delwyn Clark,Monique Moore,Peter Malone,Geoffrey N. Soutar,2022-06-30 This book focuses on the process of commercialisation and innovation

management in small firms Although commercialisation and new product development NPD has been covered quite extensively relatively little attention has been given to how small to medium enterprises SMEs engage with these issues The book explores this topic in depth taking a close look at the reasons why decisions are made and mapping this behaviour against established theories and best practice models of NPD and commercialisation The book uses case studies to analyse the relationship between entrepreneurial decision making and commercialisation and investigates how and why NPD and commercialisation decisions are made which offers valuable insights from both a theoretical and applied perspective

Entrepreneurship and Innovation Tim Mazzarol, Sophie Reboud, 2019-11-27 This book provides an overview of the theory practice and context of entrepreneurship and innovation at both the industry and firm level It provides a foundation of ideas and understandings designed to shape the reader's thinking and behaviour to better appreciate the role of innovation and entrepreneurship in modern economies and to recognise their own abilities in this regard The book is aimed at students studying advanced levels of entrepreneurship innovation and related fields as well as practitioners for example managers business owners As entrepreneurship and innovation are largely indivisible elements and cannot be adequately understood if studied separately the book provides the reader with an overview of these elements and how they combine to create new value in the market This edition is updated with recent international research including research and examples from Europe the US and the Asia Pacific region

Small Business Management Tim Mazzarol, Sophie Reboud, 2019-11-21 This textbook familiarises students with the theory and practice of small business management and challenges assumptions that may be held about the way small business management can or should adopt the management practices of larger firms For students interested in establishing and managing their own small firm this book helps them to focus their thinking on the realities of life as a small business owner manager both its challenges and its rewards For postgraduate students that are keen to make a difference this text enables them to understand how they might consult to small firms and assist owner managers to establish and grow their ventures In addition to students this book is also useful to small business owner managers as a general guide on how they might better manage their operations Managers in large corporations and financial institutions who deal with small businesses as clients or suppliers and professionals such as accountants lawyers and consultants who provide advice and other services to small businesses will also find the book of interest

Hong Kong Professional Services and the Belt and Road Initiative Linda Chelan Li, Phyllis Lai Lan Mo, 2023-03-03 This book scrutinizes the role of Hong Kong in the expansive and contested vision of China's Belt and Road Initiative BRI In two main parts it first discusses the defining features of the BRI and the evolving expectations of the role of Hong Kong in the BRI from the perspectives of policy makers and the professional sectors of accountancy finance and the law The second part contemplates the potential opportunities for Hong Kong from the perspectives of recipient countries Sri Lanka Vietnam Cambodia and Myanmar Utilizing an action research approach and engaging the views of a broad spectrum of actors the authors observe the critical

role of agency and innovations in a context of institutional contradictions the impact of BRI governance structure for the deficits in international participation gaps between grand state visions and commercial interests and the salience of effective communication in navigating complex policy initiatives Taking these together unpacks the complex processes shaping Hong Kong's participation and role in the BRI This book will appeal to students and researchers interested in the BRI and Hong Kong in the contexts of institutional contradictions agency innovations and political dynamics as well as sustainable development
