14 Question Paper Of Economics In Gauteng:

Co-operativism and Local Development in Cuba, 2018-08-13 Co operativism and Local Development in Cuba consists of a series of pathbreaking essays on the role of co operativism and the new co operatives in the democratic transformation of Cuba and the government s plan to update the model in the current context The contributors are well known specialists on Cuba co operativism and local development With a shared concern for how an increased focus on co operativism and local development can contribute to the updating of the Cuban model and the advance of socialism the contributors to the book have placed an analysis of the issues involved in the broader context of the international co operative movement and the ongoing capitalist development process in Latin America Contributors include Milford Bateman Al Campbell Grizel Don stevez S nchez Cliff DuRand Olga Fern ndez R os Julio C Gambina Camila Pi eiro Harnecker Sonja Novkovi Dayrelis Ojeda Suris Gabriela Roffinelli Frederick S Royce Dean Sinkovi Henry Veltmeyer Marcelo Vieta *Promoting sustainable local economic development initiatives* Marius Venter, 2022 This book endeavours to outline case studies that promote sustainable Local Economic Development LED initiatives It is generally believed that local governments are the foot soldiers of LED However this seems to be a myth as local governments in South Africa and elsewhere have not yet fulfilled this mandate and have been struggling for several years to implement LED initiatives The distinctive merit of this book lies in the way it combines the South African context with the wider international development context in ways that there is a flow of information and ideas both ways The book is an essential part of this sequence of ideas development and action at a critical time for strategic action directed at a sustainable future It showcases case studies and responses to the impacts of globalisation as a bridge between urban rural and institutional action and reveals avenues for local government leadership in communities research student engagement and wider interactions *The Politics and Governance of Basic Education* Brian Levy, Robert Cameron, Ursula Hoadley, Vinothan Naidoo, 2018-09-05 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations All over the world economic inclusion has risen to the top of the development discourse A well performing education system is central to achieving inclusive development but the challenge of improving educational outcomes has proven to be unexpectedly difficult Access to education has increased but quality remains low with weaknesses in governance comprising an important part of the explanation The Politics and Governance of Basic Education explores the balance between hierarchical and horizontal institutional arrangements for the public provision of basic education Using the vivid example of South Africa a country that had ambitious goals at the outset of its transition from apartheid to democracy it explores how the interaction of politics and institutions affects educational outcomes By examining lessons learned from how South Africa failed to achieve many of its goals it constructs an innovative alternative strategy for making process combining practical steps to achieve incremental gains to re orient the system towards learning

Impacting Society Positively Through Technology in Accounting and Business Processes Tankiso

Moloi, 2025-05-09 This conference volume discusses the findings of the iCAB 2024 conference that took place in Sun City South Africa on June 27 28 2024 The University of Johannesburg hosted the iCAB 2024 conference with the aim to bring together researchers from different Accounting and Business Management fields to share ideas and discuss how new disruptive technological developments are impacting the field of accounting The conference was sponsored by the Association of International Certified Professional Accountants AICPA CIMA **Sustainable Options** J. N. Blignaut, Martin P. De Wit, 2004 This well researched important text argues a case for the use of environmental resource economics ERE as an analytic framework for the conceptualisation and design of sustainable policy options Sustainable options integrates economic theories and concepts on the one hand with social and environmental challenges on the other Applying ERE in a developing context like that of South Africa is critical given the country's dependence on natural and environmental assets The sustainability of the economy and the welfare of the country's people are at stake Environmental management is therefore an economic concern This is illustrated clearly in the first section of the book which examines a broad range of welfare indicators thus providing an overview of the macroeconomic performance of the South African economy Sustainable options is not only for academics and students from the economic political and biophysical sciences The book's hands on approach and explicit linkages to the real world of economic development makes it invaluable for policy makers and environmental practitioners faced with the daunting task of making trade offs between developmental and environmental concerns *Handbook of Research on Nascent Entrepreneurship and Creating New Ventures* Carrizo Moreira, António, Dantas, José Guilherme Leitão, 2020-10-09 Due to the 2008 2009 crisis the United Nations 2030 agenda for sustainable development and the COVID 19 pandemic the role of entrepreneurship has become more critical in most economies Moreover emerging protectionist policies are further encouraging the emergence of new entrepreneurial projects particularly to replace goods and services traditionally provided by other countries Understanding current challenges and best practices in nascent entrepreneurship is integral for the successful launching of new ventures to support the revitalization of economies and achieve sustainability The Handbook of Research on Nascent Entrepreneurship and Creating New Ventures is a crucial reference source that covers the latest empirical research findings in the field of entrepreneurship and addresses the obstacles entrepreneurs face in these recent challenging times The book embraces a pluralistic perspective from academicians currently navigating nascent entrepreneurship and key concepts for launching successful new ventures Covering topics that include government support programs spin off companies leadership strategic entrepreneurship and crowdfunding this book is targeted towards entrepreneurs professionals academicians researchers and students *Understanding African Real Estate Markets* Aly Karam, François Viruly, Catherine Kariuki, Victor Akujuru, 2022-04-28 This book brings together a broad range of research that interrogates how real estate market analysis

finance planning and investment for residential and commercial developments across the African continent are undertaken In the past two decades African real estate markets have rapidly matured creating the conditions for new investment opportunities which has increased the demand for a deeper understanding of the commercial and residential markets across the continent The chapters consider issues that pertain to formal real estate markets and the critical relationship between formal and informal property markets on the continent With contributing authors from South Africa Ghana Nigeria Uganda Kenya and Tanzania the book considers the achievements of African real estate markets while also highlighting the complex central themes such as underdeveloped land tenure arrangements the availability of finance in both the commercial and residential sectors rapidly growing urban areas and inadequate professional skills This book is essential reading for students in real estate land management planning finance development and economics programs who need to understand the nuances of markets in the African context Investors and policy makers will learn a lot reading this book too *Towards a New Civic Bureaucracy* Matthew J. Quinn, 2023-07-11 Matthew Quinn plots a landmark reimagination of governance and public administration underpinned by sustainable development and civic republicanism Reshaping Entrepreneurship Education With Strategy and Innovation Ayandibu, Ayansola Olatunji, 2020-10-02 New small business owners are constantly pressured to play a major role in the economic growth of their respected nation However revitalizing how individuals think research teach and implement performance strategies to improve the operations of these small businesses is critical to entrepreneurial success Reshaping Entrepreneurship Education With Strategy and Innovation is an essential reference source that discusses strategies to overcome performance barriers as well as implementation of effective entrepreneurial processes based on a wide range of global issues Featuring research on topics such as authentic leadership business ethics and social entrepreneurship this book is ideally designed for entrepreneurs business professionals scholars researchers students and practitioners seeking coverage on innovative performance operations of small businesses *Advances in Longitudinal Data Methods in Applied Economic Research* Nicholas Tsounis, Aspasia Vlachvei, 2021-03-31 This volume presents new methods and applications in longitudinal data estimation methodology in applied economic Featuring selected papers from the 2020 the International Conference on Applied Economics ICOAE 2020 held virtually due to the corona virus pandemic this book examines interdisciplinary topics such as financial economics international economics agricultural economics marketing and management Country specific case studies are also featured
