## 2014 Ordo Carmelite:

Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set) Union of International Associations, 2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events

**Hedwig Conrad-Martius** Ronny Miron, 2023-04-21 This volume the first of its kind written in English interprets the realistic phenomenological philosophy of Hedwig Conrad Martius 1888 1966 She was a prominent figure in the Munich G ttingen Circle the first generation of phenomenology after Edmund Husserl 1859 1938 and was known as the first lady of German philosophy The articles included in this collection deal with the two main themes constituting her realistic metaphysical phenomenology Being and the I The new edition includes an additional chapter opening a new path into the study of Conrad Martius with Heidegger In addition the collection includes a comprehensive Introduction that describes the personal background and the social and philosophical contexts behind Conrad Martius s thought with an emphasis on the mutual influence and fertilization of the group of early phenomenologists in the Munich G ttingen Circle The book is aimed at scholars of philosophy and educated readers

*Rules and Observance* Mirko Breitenstein, Julia Burkhardt, Stefan Burkhardt, Jens Röhrkasten, 2014 This collection of essays focuses on rules and observances in medieval monasteries and provides a survey of how the efficacy of religious communities could be ensured The volume offers a rich variety of perspectives ranging from the role of paraenetic literature and education the problem of maintaining obedience and the implementation of reform to the importance of architectural features and the relative merits of the eremitical and the coenobite form of the vita religiosa While the emphasis is on the history of the Franciscan order between the thirteenth and fifteenth centuries articles on other monastic communities provide a comparative approach The volume gives a closer insight into European research projects and casts light on manifold aspects of monastic rules and observances as devising forms of communal life

Handbook of Dutch Church History Herman J. Selderhuis, 2014-12-10 Herman Selderhuis as editor of this volume has brought together a team of experts resulting in a unique approach since each chapter is co written by a catholic and a protestant author who have all integrated the latest research results Each section begins with a brief historiographical overview The same time ecclesiastical events are always set within a greater framework of political social and cultural developments for which reason each author has taken the liberty to describe its own method The user will find in this book tables diagrams and illustrations Also many source texts are integrated in the narration Theses texts are intended to bring the described events and people closer to the reader and as it were to let them speak the words The name of the book as Handbook of the church history of the Netherlands immediately brings to mind three problematic complexes which are relevant to its user First there is the nature of a handbook that is intended to be a good tool but also has its limitations it stimulates and necessitates the use of further books Second the area The Netherlands is a plurality and that is also noticeable in its church history for each region town and village has its own church history Third the history of the church for

sure is the most important aspect but this history can only be understood if it is described in the context of political and social developments

**A Moment from Eternity** Eva Nyary, 2014-06-24 The enamel pictures of the Hungarian Saint Crown mark the pick of the successful painters carrier of va Nyry Her uncle Ernest Nyry Archbishop of Baghdad inspired the paintings of equal size representing the pictures decorating the crown of our first king Saint Stephens presented with national and international recognition to the interested public The artist published the birth of the art pieces and the spirit and history of the crown in a work published with the similar title in 2002 She took the pen in 2006 and composed her following book entitled The Ancient Hungarian decorative art Mgr Ernest Nyry Carmelite monk archbishop of the Catholic Latin mission of Baghdad a member of the Saint Congregation of the Oriental Churches awarded with the French Legion of Honor approaching the age of 80 came to see his disciples parents and friends living in Hungary for the last time and than he transmitted his legacy in full to his brother Josephs daughter confiding her to preserve and manage it Her father told many stories to va Nyry about the romantic priests carrier in her childhood The several long meeting with him in the eighties meant her extraordinary impressions The recorded conversations the writings published about the noble thinking sainted monk matured the conception to share her impressions with readers When she was handed over his diaries texts correspondence photos and recorded memories having his uncles complete confidence she has already felt as an obligation to work this fantastic treasury up Ernest Nyrys history of lifewho was born in an ancient Hungarian noble family in Turcansky Peter today Slovakia in 1906 evolved in the priests vocation bridging world wars and continentsserved as a lesson about faith tolerance decisions made in critical moments and especially about humanity va Nyrys newest work follows her uncles fantastic life relying on the documents at her disposal many original quotations and contemporary descriptions with historic fidelity The unordinary story is completed by the archive photos of the legacy

**Letters of St. Therese of Lisieux, Volume I** St. Therese of Lisieux, 2014-07-07 Letter writing at the end of the nineteenth century was an important activity for the people of France Those who received letters from family and friends alike usually kept the hand written texts sent to them as precious gifts That is why this collection of letters by and to one of the greatest saints of modern times is so interesting to us today No mere notes slapped together in distracted haste the missives found in this volume reveal communications of warm personal sentiment along with expressions of lively spiritual development Th r se s efforts as a fifteen year old to enter Carmel before reaching the required age appear in revealing detail This tortuous course of a very subtle diplomacy is set out not only by the letters of Th r se herself but also by those of so many others who shared her hopes and eventual victory The translator editor gives us 75 pages of introductory remarks to Th r se s letters This volume also includes 4 pages of facsimiles of Th r se s letters

**Women Phenomenologists on Social Ontology** Sebastian Luft, Ruth Hagengruber, 2018-10-24 This edited volume examines women s voices in phenomenology many of which had a formative impact on the movement but have be kept relatively silent for many years It features papers that truly extend the canonical

scope of phenomenological research Readers will discover the rich philosophical output of such scholars as Edith Stein Hedwig Conrad Martius and Gerda Walther They will also come to see how the phenomenological movement allowed its female proponents to achieve a position in the academic world few women could enjoy at the time The book explores the intersection of social ontology phenomenology and women scholars in phenomenology The papers offer a fresh look at such topics as the nature of communities shared values feelings and other mental content In addition coverage examines the contributions of Jewish women to the science who were present at the beginning of the phenomenological movement This remarkable anthology also features a paper on Gerda Walther written by Linda Lopez McAlister former editor of the feminist journal *Hypatia* who had met Walther in 1976 This book features work from the conference Women Phenomenologists on Social Ontology held at the University of Paderborn Overall it collects profiles and analysis that unveil a hidden history of phenomenology

**Hedwig Conrad-Martius and Edith Stein: Philosophical Encounters and Divides** Antonio Calcagno, Ronny Miron, 2022-11-03 This book focuses on the unique philosophical relationship between Hedwig Conrad Martius and Edith Stein The two phenomenologists discussed and debated insights and ideas about the nature of the soul phenomenology personhood and individuality animal life nature being and God This book brings together for the first time leading international scholars of phenomenology to explore the philosophical exchange between both Conrad Martius and Stein This is an important book for understanding the development of the phenomenological movement and key phenomenological ideas and methods It provides a critical and comprehensive overview of the key issues that helped frame both phenomenologists philosophical trajectories Additionally the ideas of Conrad Martius and Stein are mined to address contemporary questions surrounding such topics as personal identity animal versus human personhood contemporary atheism and the relationship between religion and science The book will have great appeal to phenomenologists philosophers and historians of philosophy

**The Westminster Dictionary of Theological Terms, Second Edition** Donald K. McKim, 2014-01-01 This second edition of the Westminster Dictionary of Theological Terms provides a comprehensive guide to nearly 7 000 theological terms 1 000 more terms than the first edition McKim's succinct definitions cover a broad range of theological studies and related disciplines contemporary theologies biblical studies church history ethics feminist theology global theologies hermeneutics liberation theology liturgy ministry philosophy philosophy of religion postcolonial theology social sciences spiritually worship and Protestant Reformed and Roman Catholic theologies This new edition also includes cross references that link readers to other related terms commonly used scholarly abbreviations and abbreviations for canonical and deuterocanonical texts an annotated bibliography and a new introductory section that groups together terms and concepts showing where they fit within particular theological categories No other single volume provides the busy student and the theologically experienced reader with such easy access to so many theological definitions

Brown, 2017-07-05 Mater Misericordiae Mother of Mercy emerged as one of the most prolific subjects in central Italian art from the late thirteenth through the sixteenth centuries With iconographic origins in Marian cult relics brought from Palestine to Constantinople in the fifth century the amalgam of attributes coalesced in Armenian Cilicia then morphed as it spread to Cyprus An early concept of Mary of Mercy the Virgin standing with outstretched arms and a wide mantle under which kneel or stand devotees entered the Italian peninsula at the ports of Bari and Venice during the Crusades eventually converging in central Italy The mendicant orders adopted the image as an easily recognizable symbol for mercy and aided in its diffusion In this study the author's primary goals are to explore the iconographic origins of the Madonna della Misericordia as a devotional image by identifying and analyzing key attributes to consider circumstances for its eventual overlapping function as a secular symbol used by lay confraternities and to discuss its diaspora throughout the Italian peninsula Western Europe and eastward into Russia and Ukraine With over 100 illustrations the book presents an array of works of art as examples including altarpieces frescoes oil paintings manuscript illuminations metallurgy glazed terracotta stained glass architectural relief sculpture and processional banners     *Subject Catalog, 1979* Library of Congress, 1979     **Subject Catalog** Library of Congress,     **Catalogus codicum manuscritorum in bibliotheca monasterii Cremifanensis Ord.
