Wine and Place Tim Patterson, John Buechsenstein, 2018-01-02 The concept of terroir is one of the most celebrated and controversial subjects in wine today Most will agree that well made wine has the capacity to express somewhere a set of consistent aromatics flavors or textures that amount to a signature expression of place But for every advocate there is a skeptic and for every writer singing praises related to terroir there is a study or a detractor seeking to debunk terroir as a myth *Wine and Place* examines terroir using a multitude of voices and multiple points of view from science to literature from winemakers to wine critics seeking not to prove its veracity but to explore its pros its cons and its other aspects This comprehensive anthology lets the reader come to one s own conclusion about terroir **Report...**
