Reproducible High-Interest Passages for Kids to Read Aloud at Home—With Companion Activities

Dear Parents

"Tonight's presentation is about
 a famous night—August 14th
 when the first atomic bomb was
 dropped on Japan. We're going to
 talk about the bomb, the war,
 and the people who made it.
 We'll also see some pictures
 of the bomb and the war.
 It's a very important day
 in our country's history.
 We'll be glad to answer
 any questions you have."

THE QUESTIONS

1. "Allison's mother never said that's a dog!"
2. "Allison says 'hello' every time she's outside and someone's there."
3. "Allison's completely healthy & capable, especially."
4. "Allison's always been more than 'that dog' & 'all day' & 'everybody's dog'."
5. "Allison's not that kind of person who goes around with kids."

There is a number of other factors which might have influenced the results of the study. For example, the use of a single questionnaire to collect data on all the variables of the study might have led to common method variance. However, the use of a single questionnaire is a common practice in the field of organizational behavior research. Another limitation of the study is the use of a convenience sample. The results of the study might not be generalizable to other populations. Finally, the study did not control for other variables which might have influenced the results. For example, the study did not control for the effect of the company's culture on the results. In conclusion, the study has some limitations, but the results are still valuable.
