**World History- Connections to Today**  
**Chapter 36- Africa (1945-Present)**  
**Section 2- Programs For Development**  
**Pages 914-919**  
**Answer Key**

1. Newly independent African nations face what two critical issues?

A) Create unified states with stable governments.

B) Achieve economic growth that would improve the standard of living of their people.

2. Colonial borders had left most African nations a patchwork of people with different cultures, languages, and histories.

3. Once freed from colonial rulers, many Africans felt their first loyalty was to their own ethnic group.

4. What is a one-party system? A country that has a single political party, or only one party that has any real likelihood of winning elections. Most one-party nations are authoritarian states.

5. More than half of all African nations have had military coups since independence.

6. Developing modern economies in Africa, or anywhere, means improving agriculture and developing industry.

7. (circle the correct choice) True/False: Many newly independent nations chose socialism.

8. Socialism means that the government makes economic decisions about using scarce resources.

9. Some African nations set up mixed economies with both private and state-run enterprises.
