Answering God Eugene H. Peterson, 1989 *Fighting On Our Knees* Rory Noland, 2024-10-08 As modern society becomes increasingly secular Christians today find themselves living in a world that is not only diametrically opposed to their faith but also downright hostile about it While living in what has been deemed an anti Christian culture characterized by a vehemently negative view of both Christianity and Christians we are locked in a fight to the finish battle with the forces of evil Rory Noland calls and equips twenty first century Christians to engage in spiritual warfare by praying the Psalms the same book of prayers that ministered to the Israelites of old and served as their collective voice in turbulent times He highlights a group of psalms that address three specific areas currently under spiritual attack the family the church and the culture at large Each chapter focuses on a particular psalm presents a verse by verse devotional commentary and concludes with prayer exercises based on that psalm Throughout his presentation Noland encourages Christians to stay vigilant in the all important kingdom work called prayer *Fighting on Our Knees* calls and equips Christians to engage in spiritual warfare by praying psalms that address three vital areas family church and culture *Engaging Life's Deepest Questions: Apologetics in a Complex World* Dr. Octavian Caius Obeada, 2025-06-26 In a culture filled with doubt complexity and pressing questions *Engaging Life's Deepest Questions* offers a thoughtful and accessible guide to Christian apologetics Structured as a 14 chapter manual corresponding to a full lecture series this book equips readers students pastors educators and seekers alike to address today's most challenging issues with clarity compassion and confidence From topics like truth suffering and morality to digital technology gender justice and religious pluralism each chapter explores how faith can be both intellectually credible and spiritually transformative More than a book of answers this is a resource for dialogue formation and gospel shaped living in a world that needs both truth and grace Apologetics is not to be seen as a defensive and hostile reaction against the world but as a welcome opportunity to exhibit celebrate and display the treasure of the Christian faith Alister E McGrath *Mere Apologetics* Apologetics is most powerful when it listens before it speaks Dr Octavian C Obeada *Engaging Life's Deepest Questions* Our moral obligations are not burdensome impositions but expressions of a reality in which we are invited to participate John M Frame *The Doctrine of the Christian Life* The first task of love is to listen Henri J

M Nouwen *Out of Solitude* A robust apologetic does not fear the tough questions but welcomes them as opportunities for growth William Lane Craig *A Reasonable Response* **With One Voice** Reggie M. Kidd, 2005-10 What do the Blues Brothers have in common with Bach and Christian worship Explore the connection in this explanation of why the church sings *The God who Speaks* Ben Campbell Johnson, 2004 This is a print on demand book and is therefore non returnable As Christians we believe that God speaks that God has spoken to people down through the centuries and still speaks to us today But just how does God speak to us Has his speech changed over time And how do we hear the voice of God In this insightful book Ben Campbell Johnson explores the subject of divine speech highlighting its importance to faith and leading Christian believers into the practice of listening for God's voice in daily life Johnson first explores the biblical foundations of divine communication tracing the ways that God has spoken to humankind from the calling of Abraham to the appearance of Jesus to the continuing work of the Spirit in the early church He then gleans important lessons about God's language from a wide range of Christian figures throughout history Polycarp Julian of Norwich Teresa of Avila Henri Nouwen and others As this historical record shows God communicates with us in a variety of ways In exploring these different modes of God's speech Johnson deftly guides readers into the practice of intensive listening a way of posing issues to God and discerning his response Numerous anecdotes illuminate Johnson's discussion and each chapter ends with questions for reflection and discussion as well as suggestions for journaling Johnson concludes the book by recounting a number of personal experiences that vividly illustrate the value of learning to listen to God's voice At a time when many Christians hunger for a more personal meaningful connection with God this book shows readers how to discern divine language and forge a closer richer relationship with the God who speaks **Military Chaplains' Review**, 1991 **God's Prayer Book** Ben Patterson, 2008 The psalms often stretch and perplex readers as they teach but they also open a divine window on prayer This collection features meditations on more than 75 psalms and offers brief thoughts and background as well as suggested ways to use the psalms in prayer **A Short Guide to Spiritual Disciplines** Mason King, 2023-03-07 Every Christian wants to grow into the person God made him to be Every Christian has a healthier more spiritually mature version of herself in mind Every Christian looks upon the future's horizon and imagines a relationship with God ever increasing in vibrancy and strength But how does a Christian get there How does a sapling with good intentions actually become an oak of righteousness You might think the answer is regularly read the Bible pray often and share the gospel consistently And those practices are certainly part of it But in this book Mason King expands your thinking beyond basic spiritual practices which typically emphasize what you must do into a more holistic picture of what a full and flourishing life with God can look like when it is cultivated well focusing instead on who you might become In these pages learn how you can become a vibrant healthy Christian by regularly offering to God three main dimensions of your life your attention your emotions and your limits for when you are disciplined in cultivating these environments at the root you will grow into the right kind of tree **A Theological Introduction to**
