Course Objectives: By the end of Ninth Grade Literature and Composition students will compose effective literary analyses and researched essays, adhering to Modern Language Association (MLA) guidelines. They will be able to describe and explain the significance of a text's structure, track the unfolding of complex characters and communicate advanced elements of plot. Students will argue effectively in speech and writing, employing the structure, evidence, and rhetoric necessary in the composition of effective persuasive texts. Ninth grade students will build strong and varied vocabularies. They will skillfully employ rhetoric and figurative language, purposefully construct tone and mood, and identify lapses in reason or ambiguities in texts. Students will recognize nuances of meaning imparted by modes of presentation, whether it is live drama, spoken word, digital media, film, or fine art. Students will develop confident familiarity reading foundational American documents and western world literature throughout history. *LCHS adheres to the Common Core Georgia Performance Standards posted at the following website.
