A Small Of Poetry Concerning War:

A Small Book of Poetry Joe Wilson, 2014-11-20 A book of poems which reflect the authors feelings about the savagery and pointlessness of war *The Oxford Handbook of British and Irish War Poetry* Tim Kendall, 2007-02-22 The Handbook ranges widely and in depth across 20th century war poetry incorporating detailed discussions of some of the key poets of the period It is an essential resource for scholars of particular poets and for those interested in wider debates Contributors include some of the most important international poetry critics of our time Poems About Love, War and Just for Fun Jack DiNola, 2011-12-01 Vietnam Gray lead and shiny yellow brass Pushing death From a stainless steel gun Thats not made of flesh Its integral parts lubricated By oil and grease To withstand the heat and humidity But what is there to erase The red stain On white cloth that covers The pain On a moving part of anatomy Or the look on a human face **The Great War in Irish Poetry** Fran Brearton, 2003 The Great War in Irish Poetry explores the impact of the First World War on the work of W B Yeats Robert Graves and Louis MacNeice in the period 1914 45 and on three contemporary Northern Irish poets Derek Mahon Seamus Heaney and Michael Longley Its concern is to place their work and memory of the Great War in the context of Irish politics and culture in the twentieth century The historical background to Irish involvement in the Great War is explained as are the ways in which issues raised in 1912 20 still reverberate in the politics of remembrance in Northern Ireland particularly through such events as the Home Rule cause the loss of the Titanic the Battle of the Somme the Easter Rising While the Great War is perceived as central to English culture and its literature holds a privileged position in the English literary canon the centrality of the Great War to Irish writing has seldom been recognised This book shows first that despite complications in Irish domestic politics which led to the repression of memory of the Great War Irish poets have been drawn throughout the century to the events and images of 1914 18 This engagement is particularly true of those writing in the troubled Northern Ireland of the last thirty years The second main concern is the extent to which recognition of the importance of the Great War in Irish writing has itself become a casualty of competing versions of the literary canon
