grandmother's will Luna had no choice but to survive thirty nights in the estate if she wanted to claim her inheritance But she wasn't alone In the shadows three powerful alphas waited drawn by the intoxicating scent of her blood and something far more primal From the moment Luna set foot inside Alec was there all dominance and dark intentions His eyes glinted with possession and his voice was a rough caress that left her thighs clenching with every command His touch was merciless pinning her against cold marble walls with promises that made her breath hitch and her pulse race He didn't ask he demanded And Luna hated how her body arched willingly under his hands how her protests melted into breathless moans But Alec wasn't the only one with his sights set on her Killian the rogue alpha was a sinful contrast all wicked smirks and teasing fingers He prowled in her shadows taunting and tempting until Luna's cheeks burned and her knees trembled His mouth was sin itself brushing over sensitive skin stealing gasps that turned into needy whimpers He made it a game to see how many times he could leave her blushing and soaked his chuckles dark and hungry whenever she bit her lip to stifle a moan And then there was Rafe silent lethal and devastatingly patient His hands were gentle but his eyes were ravenous tracing the curves of her body like a wolf sizing up prey His fingers skimmed down her spine with a possessive softness that left her shivering When he finally pulled her against him mouth hot on her neck Luna's resolve shattered leaving her writhing against his hard chest begging without words Every night was a struggle between lust and defiance and Luna was losing The estate itself seemed to conspire with the alphas luring her into darkened hallways and silk draped chambers where control slipped away with every heated kiss and growled command They didn't just want her submission they wanted her soul Bound in silk ribbons with dark roses at her feet and three sets of claws tracing her skin Luna found herself surrendering back arching breath catching body aching for everything they promised The blood moon was rising bringing the curse to its peak To break it Luna had to make a choice to submit completely or risk losing them all But every growl every bruising kiss every thrust that left her gasping for more stripped away her resistance Alec's savage dominance Killian's wicked teasing Rafe's possessive tenderness each left their mark a claim that sank deeper until Luna could no longer deny the heat roaring beneath her skin When dawn broke the curse shattered along with every restraint Luna had left She stood marked and claimed with three alphas kneeling at her feet eyes dark with hunger and loyalty The power thrummed through her veins seductive and dangerous and Luna embraced it with a sultry smile that left them growling Her goal might have been survival but what she claimed was dominion over the estate over the alphas and over the wild hunger that bound them all The night was theirs The power was hers And the wild had only just begun to bow
