A Walk Of Faith Surviving Breast Cancer:

A Walk of Faith: Surviving Breast Cancer Peggy Crosby Luther, 2014-10-31 Lord Jesus I can't do this without you This is the essence of my life and it became really evident to me after I heard the words You have cancer I am a Christian woman who prays I have spent years writing down my prayers in journals I didn't decide to write this book the Lord impressed upon me that I was going to write about this journey from the beginning when everything began to happen That was probably so I'd chronicle what was happening in my journals This book is the result of what transpired during the first couple of years after discovering I had a lump in my breast Fighting cancer changed me I learned to fight for my life Losing meant death so every day I had to stand in that place of faith I found ways that worked for me to reinforce my faith and belief that God would heal me Repeating the words I am alive full of vitality and victorious was one of the ways I stood in faith to believe I'd survive I prayed for great faith because I had doubts Jesus said believe and do not doubt every doubt was an attack against me I had other people praying for me so that my faith level would increase I fought every day to live and did whatever was necessary to insure I'd survive I did not put my faith in doctors or chemotherapy or radiation I put my faith in God The doctors and radiation treatments gave me hope that I'd get better but I wanted to be healed

The Power of the Word: A Walk in Faith La Tonya Mouzon, Ph.D., 2013-10-06 This book demonstrates God's great love grace and mercy toward me It was a time of testing proving and victory This was a journey of faith God called me to a place where the only thing that could satisfy Him would be my complete faith in His ability to sustain deliver and heal me God took me on the ride of my life He showed up mightily and strong working out all things on my behalf God desires to heal deliver make whole and set free today This story explores the might of God's hand upon me through the path of breast cancer healing My encounter can be an impetus for your faith to believe God for many other things The enemy comes to keep us from purpose by bringing trials stumbling blocks broken relationships mishaps setbacks setups broken dreams offense and other distractions God is able He can do anything but fail Believe God to bring you out of impossible situations and into destiny and purpose
