A Weekend Alone:

On the Other Hand June McCullough, 2011-08-11 Nina Andrews is a woman who loves her life and considers it close to perfect. After twenty-eight years of marriage, she is still in love with her husband Mike. Now that they are empty nesters, they are looking forward to retirement and a life of leisure. Their financial planner Pat McDermott is successful professionally, but her personal life has been a disappointment. She has always admired the relationship that Mike and Nina have and envies them. Suddenly, everything changes when Mike dies, leaving Nina behind. Her overwhelming grief soon turns to anger and then depression. She tries to live outside her grief, but the next step seems impossible. Just when Nina thinks she is learning to endure, she crashes. As Nina struggles with her loss, Pat battles her own demons. Once burned by love, she is hesitant to open her life up to new possibilities. So when someone special appears in her life, every instinct tells her to be afraid. But whether she wants to or not, she is falling in love. Crushed by her grief, Nina carefully plans her suicide, but just as she is about to carry out her plan, there is a knock at her door. The visitor she finds on the other side will change her life in ways she never dared dream.

Beyond the Ashes Faye Roots, 2014-04-14 *Beyond the Ashes* is an Australian novel set in the period when young people went on safari tours to the inland and climbed Ayers Rock. Turtle conservation and watching on the east coast of Australia was just beginning. The themes of the novel are forgiveness and love and reveal how issues in the past can dramatically affect the present when tragedy strikes. It is the story of a tragic road accident and a family's deterioration when communication between them fails and lack of forgiveness is allowed to fester. It is the story of a young woman's journey to regain her father's love and his journey to finally lay to rest his past and find life beyond the ashes. It is also a story of faith and young marine biologist Martin Kelsos' certainty that this family can be restored. It is Kate and Daniel's story. It is Raelene and Martin's story. It is a story of hope. Many different people with their unique stories become entwined on the journey. From the red heart of Australia's centre to the blue of the Pacific Ocean and beaches on the east coast, no location can by itself heal the pain of human brokenness. This is a fiction story and the characters and events are not based on any person or historical event. The east coast beach towns and scenes all have fictitious names. Only the places towns in the centre and Ularu, then known as Ayers Rock, have retained their names, but with the 1970s atmosphere. *Beyond the Ashes* is a journey of the heart as much as it experiences a shifting of physical locations.

Saved by the Dragon Vivienne Savage, 2015-02-23 Chloe Ellis' decision to celebrate the end of a turbulent relationship sends her off for a weekend of hiking and bonding with Mother Nature. When a rainstorm strikes during a spontaneous mountain climb, she has no choice but to seek shelter and become hopelessly lost within a dank and dismal cave system. There's one more problem: her golden-eyed, incredibly sexy rescuer isn't the average hiker. He's also a dragon. Reading Order: *Saved by the Dragon* 1. Bearing Her Wishes 1.5. Mated by the Dragon 2.
