William Faulkner's short story "A Rose for Emily" presented contemporary readers with a gothic horror story that was all the more haunting because of its innocent appearance. To gain an understanding of the story within a brief analysis, it is necessary to examine the story's plot, characterization, point of view, theme, symbols, and setting.

The plot of the story is not as simple as one might expect from a short story. If the story is taken out of its original context and placed in chronological order, it tells the story of a young woman dominated completely by her father until she is beyond marriageable age. This makes it very difficult for her to let go of her father when he finally dies, but his death also opens up new possibilities for her to find happiness, particularly in the form of an outsider, Homer Barron. Because of Homer's lower social status, though, Miss Emily Grierson's cousins come to town and chase away her lover. Although he was seen once following the cousins' departure, Miss Emily lives out the rest of her life alone, finally dying in the old house of her childhood. Only then is it discovered that Homer had also died within that old house long ago.

Faulkner makes heavy use of symbolism to help him characterize his people. Miss Emily is the bitter old maid who has been rejected one too many times and, because of her exalted social status, is unable to mix with the rest of the townspeople, the one thing that might have been able to save her. Homer Barron adopts all of the perceived stereotypes of the north – he's loud, energetic, unconcerned with social norms, and happy to accept new challenges, yet he doesn't want to be tied down. The old negro that works for Miss Emily is like a dark ghost in the background of the picture, doing the old woman's bidding whatever it is and then disappearing when the old woman is no longer alive to command him. By contrast, the townspeople are seen as an image of the new, compatible with the energetic and progressive personality of Homer rather than the halting and conservative stance of Miss Emily.

Part of what makes the story so successful is the easy, conversational point of view in which it is told. The entire story is told as if the rest of the town were sharing one of their secrets with the reader as a rare and honored visitor. The tone adopted is sympathetic to Miss Emily's loneliness and the way in which she had been treated, even
