A Tree In Paradise:

The Sacred Tree; Or, The Tree in Religion and Myth J. H. Philpot, 1897 Shi'ism Hamid Dabashi, 2012-05-07 For a Western world anxious to understand Islam and in particular Shi'ism this book arrives with urgently needed information and critical analysis Hamid Dabashi exposes the soul of Shi'ism as a religion of protest successful only when in a warring position and losing its legitimacy when in power Dabashi makes his case through a detailed discussion of the Shi'i doctrinal foundations a panoramic view of its historical unfolding a varied investigation into its visual and performing arts and finally a focus on the three major sites of its contemporary contestations Iran Iraq and Lebanon In these states Shi'ism seems to have ceased to be a sect within the larger context of Islam and has instead emerged to claim global political attention Here we see Shi'ism in its combative mode reminiscent of its traumatic birth in early Islamic history Hezbollah in Lebanon claims Shi'ism as do the militant insurgents in Iraq the ruling Ayatollahs in Iran and the masses of youthful demonstrators rebelling against their reign All declare their active loyalties to a religion of protest that has defined them and their ancestry for almost fourteen hundred years Shi'ism A Religion of Protest attends to the explosive conflicts in the Middle East with an abiding attention to historical facts cultural forces religious convictions literary and artistic nuances and metaphysical details This timely book offers readers a bravely intelligent history of a world religion Quest for the Kingdom John M. Newman, 2011 A fascinating analysis that blends world history Western religion and Eastern mysticism Quest for the Kingdom by Dr John M Newman examines the kingdom of God as the historical Jesus describes it The book's premise holds that Jesus' teachings include specific instructions for the quest to find and live in God's kingdom before death This powerful work favors fact and readers can revel in Jesus' authentic teachings that describe the quest both as internal spiritual cultivation and the way to live in the world It is rare for a book on Christian theology to break new ground but Newman does this on two fronts the striking parallel of Jesus' teachings with the ancient mysticism of yoga and the equally fascinating parallel between Jesus' healing techniques and the practices of modern psychotherapists like Freud Newman is meticulous in drawing these original and unique parallels and they lift this work's premise to a non-generic level that speaks to several audiences an accomplishment that sets the work apart from the pack In twenty accessible and engaging chapters like The Kingdom of God The War of the Houses The Kingdom Is Like a Woman Spiritual Cultivation and The Exorcisms and Healings of Jesus the reader watches Jesus at work healing and offering his parables at a communal meal In addition to elucidating the path to the kingdom that Jesus shared with his followers Newman explains and illustrates the voice print of Jesus his sage rhetorical strategies and distinctive discourse Newman brings Jesus' parables to life with a penetrating analysis that enables the reader to experience Jesus' mastery of metaphor and management of the unconscious trajectory of thought in the minds of his listeners A commanding new breakthrough in the understanding of the teachings and works of Jesus this book is a must read for academics and laypersons alike *The Greek Life of Adam and Eve* John R. Levison, 2022-12-05 For the first time Jack

Levison offers the English speaking world a comprehensive commentary on the Greek Life of Adam and Eve an epic of pain death and hope An exhaustive introduction clarifies issues of literary character manuscripts and versions and provenance the commentary itself provides rich discussions of the Greek text illuminated by Jewish scripture and ancient Greek and Hebrew literature Fresh translation and bibliography
