Send the Alabamians Nimrod Thompson Frazer, Edwin C. Bridges, 2014-05-13 *Send the Alabamians* recounts the story of the 167th Infantry Regiment of the WWI Rainbow Division from their recruitment to their valiant service on the bloody fields of eastern France in the climactic final months of World War I To mark the centenary of World War I *Send the Alabamians* tells the remarkable story of a division of Alabama recruits whose service Douglas MacArthur observed had not been surpassed in military history The book borrows its title from a quip by American General Edward H Plummer who commanded the young men during the inauspicious early days of their service Impressed with their ferocity and esprit de corps but exasperated by their rambunctiousness Plummer reportedly exclaimed In time of war send me all the Alabamians you can get but in time of peace for Lord's sake send them to somebody else The ferocity of the Alabamians so apt to get them in trouble at home proved invaluable in the field At the climactic Battle of Croix Rouge the hot blooded 167th exhibited unflinching valor and in the face of machine guns artillery shells and poison gas sustained casualty rates over 50 percent to dislodge and repel the deeply entrenched and heavily armed enemy Relying on extensive primary sources such as journals letters and military reports Frazer draws a vivid picture of the individual soldiers who served in this division so often overlooked but critical to the war's success After Gettysburg the Battle of Croix Rouge is the most significant military engagement to involve Alabama soldiers in the state's history Families and genealogists will value the full roster of the 167th
