So You Want To Be A Vampire Jennifer St. Clair,2012-07-19 Chelsea Kingdom is usually a pretty quiet place but recent murders committed by a vampire upset the calm Newcomer to town Vlad Dhalgren wants only to blend in and live a normal life He quickly learns that isn t possible given that other vampires have been hiding in the shadows around the castle in plain sight for years Despite her lineage Anna Everett the crown princess of the Kingdom of Chelsea isn t a wizard like her father which means she will never be Queen She has only one friend Valerian Moreton Val who has secrets he s never shared that could get him and Anna killed **A Tale of Two Villains** Calvin H. Cherry,2022-10-18 Prepare to be delightfully surprised to discover that the godfather of all vampires and the infamous dark wizard share a deep character bond that goes far beyond the title monster Be intrigued to uncover what a coffin and a horcrux share or to dig further to unearth that the often overlooked scars which Bram Stoker wrote of in Victorian England are just as significant as those described by J K Rowling in the modern era Indeed it cannot be a mere coincidence that Dracula was hurt in 1897 and 100 years later Harry is too Bookshelves and databases are full of fascinating sources celebrating the supernatural worlds created by beloved authors Bram Stoker and J K Rowling The millions of fans of Dracula and Harry Potter consist of all age groups and varied enthusiasm ranging from a curious reader or leisure cinema observer to seriously devoted academic scholars However followers of each universe have been chiefly segregated rarely mingling apart from an occasional culture convention widely dominated by Star Wars Star Trek and Marvel heroes groupies This is most unfortunate because Stoker and Rowling readers have a lot in common This is because Count Dracula and Lord Voldemort have much in common In fact these two internationally acclaimed bestselling novels possess a remarkable kinship A Tale of Two Villains is a love letter to both sets of fans paying homage to two superb authors and their extraordinary respective works It is the first text to set both

masterpieces on pedestals side by side analyzing the words on the page and the thoughts behind them exploring their similar themes unique parallelism and mystical symbolism The author delves profoundly into the interesting characters their traits conflicts and motivations to show how literary art is born This book is a must have for any Stoker or Rowling reader as it is the first of its kind ever published **Dante's Inferno A Comedy** Declan Moran,2012-11-01 A retelling of the Divine Comedy for our Modern Age with notes and illustrations by the authors Dante s Inferno retold upon a modern stage with accompanying annotations and illustrations Second edition celebrating 710 years since Inferno road A comedy With gracious thanks to all who contributed and tellers of all tall tales most especially Dante Alighieri himself and his many translators
