A Tour In Wales Mdcclxx Pt 1:

A Tour in Wales. MDCCLXX. Thomas Pennant,1778 **Cylchgrawn Llyfrgell Genedlaethol Cymru ,** **Slave Wales** Chris Evans,2010-09-15 Atlantic slavery does not loom large in the traditional telling of Welsh history Yet Wales like many regions of Europe was deeply affected by the forced migration of captive Africans Welsh commodities like copper and brass made in Swansea were used to purchase slaves on the African coast and some Welsh products such as woollens from Montgomeryshire were an important feature of plantation life in the West Indies In turn the profits of plantation agriculture flowed back into Wales to be invested in new industries or to be lavished on country mansions This book looks at Slave Wales between 1650 and 1850 bringing the most up to date scholarship on Atlantic slavery to bear on the Welsh experience New research by Chris Evans casts light on previously unknown episodes such as Welsh involvement with slave based copper mining in nineteenth century Cuba and illuminates in new and disturbing ways familiar features of Welsh history like the woollen industry that have previously unsuspected slave dimensions Many Welsh people turned against slavery in the late eighteenth century but Welsh abolitionism was never a particularly powerful force Indeed Chris Evans demonstrates that Welsh participation the slave Atlantic lasted well beyond the abolition of Britain s slave trade in 1807 and the ending of slavery in Britain s Caribbean empire in 1834 **Enlightenment Travel and British Identities** Mary-Ann Constantine,Nigel Leask,2017-04-15 Weaving together science history antiquarianism and art this stimulating collection of essays amply demonstrates Thomas Pennant s centrality to a broad range of British Enlightenment debates and discourses especially those relating to Britain s so called Celtic Fringe At the same time it underscores the epistemological importance of travel and travel writing in the late eighteenth century Carl Thompson Senior Lecturer in English St Mary s University UK **Urban Culture in Medieval Wales** Helen Fulton,2012-05-15 This collection of twelve essays describes aspects of town life in medieval Wales from the way people lived and worked to how they spent their leisure time Drawing on evidence from historical records archaeology and literature twelve leading scholars outline the diversity of town life and urban identity in medieval Wales While urban histories of Wales have charted the economic growth of towns in post Norman Wales much less has been written about the nature of urban culture in Wales This book fills in some of the gaps about how people lived in towns and the kinds of cultural experience which helped to construct a Welsh urban identity **Handlist of Manuscripts in the National Library of Wales** National Library of Wales,1963 **The National Union Catalog, Pre-1956 Imprints** ,1968

Troelstra,2017-06-01 Anne Troelstra s fine bibliography is an outstanding and ground breaking work He has provided the academic world with a long needed bibliographical record of human endeavour in the field of the natural sciences The travel narratives listed here encompass all aspects of the natural world in every part of the globe but are especially concerned with its fauna flora and fossil remains Such eyewitness accounts have always fascinated their readers but they were never written solely for entertainment fragmentary though they often are these narratives of travel and exploration are of immense importance for our scientific understanding of life on earth providing us with a window on an ever changing and often vanishing natural world Without such records of the past we could not track document or understand the significance of changes that are so important for the study of zoogeography With this book Troelstra gives us a superb overview of natural history travel narratives The well over four thousand detailed entries ranging over four centuries and all major western European languages are drawn from a wide range of sources and include both printed books and periodical contributions While no subject bibliography by a single author can attain absolute completeness Troelstra s work is comprehensive to a truly remarkable degree The entries are arranged alphabetically by author and chronologically by the year of first publication under the author s name A brief biography with the scope and range of their work is given for each author every title is set in context the contents including illustrations are described and all known editions and translations are cited In addition there is a geographical index that cross refers between authors and the regions visited and a full list of the bibliographical and biographical sources used in compiling the bibliography **Rushen Abbey, Isle of Man** Peter Davey,2023-12-28 Rushen Abbey was a Cistercian monastery founded in 1134 and suppressed in 1540 It was the most important religious institution on the Isle of Man wielding significant secular power as well as ecclesiastical authority This book aims to provide a synthesis of all the available evidence for Rushen Abbey under one cover **The Bulletin of the Board of Celtic Studies** University of Wales. Board of Celtic Studies,1984 Includes glosses of the Welsh language bardic vocabulary etc **Women and Gender in Early Modern Wales** Michael Roberts,Simone Clarke,2000 Traditionally the narratives of Welsh history have been masculine in their emphasis Women and Gender in Early Modern Wales helps to redress the balance as it examines the material social and cultural experiences of women in Wales and explores how those experiences were defined alongside or against those of men It is the first book devoted to the lives of women in Wales during the period from the alter middle ages to the eve of the industrial revolution and the first study to deal with the history of

shifting gender identities in Wales in any period Michael Roberts and Simone Clarke have brought together an exciting team of authors to examine the character and evolution of male and female identities in the early modern period Issues addressed include female contributions to the poetic tradition attitudes towards witchcraft and female abduction the role of women in the emerging Nonconformist movements the changing political and social responsibilities of men following the Acts of Union and an exploration of women s experiences as presented in a range of sources from the records of the law courts to the work of the embroiderer Women and Gender in Early Modern Wales is a pioneering yet accessible volume which not only has wide ranging and important implications for early modern Welsh historiography but also provides the basis for the comparative study of gendered experience in this period both in the British Isles and beyond *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries,1979 **A Catalogue of English Books Printed Before 1801 Held by the University Library at Göttingen: v. 1-4. Books printed between 1701 and 1800** Bernhard Fabian,1987 The Farmer's Magazine Volume the Forty-Ninth January-June MDCCLXXVI January,1876 The Farmers Magazine January,1876,1876 Wales and the British overseas empire H.V. Bowen,2017-02-01 This unique collection of essays is the first book to explore the many relationships that developed between Wales and the British overseas empire between 1650 and 1830 Written by leading specialists in the field the essays explore economic social cultural political and religious interactions between Wales and the empire The geographical coverage is very broad with examinations of the contributions made by Wales to expansion in the Atlantic world Caribbean and South Asia The book explores Welsh influences on the emergence of British imperialism as well as the impact that the empire had upon the development of Wales itself The book will be of interest to academic historians postgraduate students and undergraduates It will be indispensable to those interested in the history of Wales Britain and the empire as well as those who wish to compare Welsh imperial experiences with those of the English Irish and Scots Representation, Heterodoxy, and Aesthetics Ashley Marshall,2014-12-23 The chapters constituting this book are different in subject and method striking testimony to the range of Paulson s interests and the versatility of his critical powers In his prolific career he has produced extensive analysis of art poetry fiction and aesthetics produced in England between 1650 and 1830 Paulson s unique contribution has to do with his understanding of seeing and reading as closely related enterprises and popular forms in art and literature as intimately connected connections illustrated by literary critics and art historians here Every essay shares some of the concerns and methods that characterize Paulson s wonderfully idiosyncratic thought except for the final essay an attempt systematically to analyze Paulson s critical principles and methods Recurrent themes are a concern with satire in the eighteenth century a connection between verbal and visual reading an insistence on the importance of individual artistic choices to the history of culture an attention to the aims and motives of individual makers of art and a sensitivity to the crucial links between high and low art This volume offers rich explorations of a range of subjects Swift s relationship to Congreve Zoffany s condemnation of

Gillray and Hogarth and broader implications for the role of art in public discourse the presentation of mourning in the work of the Welsh artist and writer Edward Pugh G M Woodward s Coffee House Characters representing a turn from satire on morals towards satire on manners Adam Smith s evolving aesthetic program Samuel Richardson s notions of social reading The discussions represent a variety of exemplifications of the Paulsonesque showing a concern with satiric representation in mixed media with different forms of heterodoxy and iconoclasm and with the values of producers of popular and polite culture in this period *New South Wales Government Gazette* ,1882 **A Bibliography of British Ornithology from the Earliest Times to the End of 1912** William Herbert Mullens,Harry Kirke Swann,1917
