A War Primer:

War Primer Bertolt Brecht, 1998 The title is ironic How to make war like Oh what a lovely war A large format picture book containing over eighty photographs of the Second World War each with a four line poem by Brecht written as the events unfolded This is the first publication in English of a major work by Brecht **Adam Broomberg & Oliver Chanarin war primer 2** Bertolt Brecht, 2018 *War Primer 2* appropriates the first English language version of Bertolt Brecht's 1955 *Kriegsfibel* in which Brecht combined press photographs from the World Wars with four line poems Compiled intermittently over three decades Brecht's book was a visual and lyrical attack on war and its propagandists under modern capitalism Shifting the critique to contemporary narratives portrayed in the so called War on Terror Broomberg and Chanarin strategically overlay the pictorial pages of Brecht's *War Primer* with images culled from the internet and generated by the participants and reporters of the contemporary conflict Underlying this junction of two visual histories is a profound skepticism of mass media images Brecht's *War Primer* notably drew attention to the didactic role of photojournalism that served war's callous profiteers The title deliberately recalled textbooks used to teach primary school children how to read and the book which used razor sharp words to dismantle visual messages effectively served as a manual demonstrating how to read or translate press photographs images that Brecht referred to as hieroglyphics in need of decoding This paperback edition of the 21st century adaptation is a facsimile of the book which earned Adam Broomberg and Oliver Chanarin the 2013 Deutsche Börse Photography Prize OCLC OLUC *A War Primer. Containing Prayers, Old and New, for Public and Private Use in Time of War. Selected and Arranged by F.B. Macnutt* Frederic Brodie MACNUTT, 1939 *War Primer 3*, 2015 *War primer 3* is a reworking of Adam Broomberg and Oliver Chanarin's *War primer 2* itself a reworking of Bertolt Brecht's *Kriegsfibel* In this remarkable critique of the relationship between war and photography Brecht sought to extract the hidden meanings behind images of conflict with short poems inspired by the funereal epigrams of the ancient world Broomberg and Chanarin in turn updated Brecht's book by introducing images from the so called War on Terror each intended to resonate with Brecht's original text While in some respects brilliant in other ways Broomberg and Chanarin's follow up was deeply problematic particularly the book's existence as an expensive editioned art object and the use of unpaid uncredited intern labour in its production In the spirit of Brecht's playful invocation not to start with the good old things but the bad new ones I have reworked Broomberg and Chanarin's book into a new work *primer* a meditation on inequality labour and capital By restructuring the book around the text of Brecht's poem *A Worker Reads History* and adding new images and text a third incarnation of the book came into being one designed as a tribute to the anonymous many who keep the engines of the world turning from www.lewisbush.com **War Primer 2**, 2014 *War Primer 2* is a limited edition book by Adam Broomberg and Oliver Chanarin that physically inhabits the pages of Bertolt Brecht's remarkable publication *War Primer* Libris 1998 The original was published in German in 1955 under the title *Kriegsfibel* *War Primer 2* was published by MACK in 2011 and sold

Dramaturgies of War Anselm Heinrich, Ann-Christine Simke, 2023-12-01 This book examines the institutional contexts of dramaturgical practices in the changing political landscape of 20th century Germany Through wide ranging case studies it discusses the way in which operationalised modes of action legal frameworks and an established profession have shaped dramaturgical practice and thus links to current debates around the institutional turn in theatre and performance studies German theatre represents a rich and well chosen field as it is here where the role of the dramaturg was first created and where dramaturgy played a significantly politicised role in the changing political systems of the 20th century The volume represents an important addition to a growing field of work on dramaturgy by contributing to a historical contextualisation of current practice In doing so it understands dramaturgy not only as a process which occurs in rehearsal rooms and writers studies but one that has far wider institutional and political implications Report of the Chief of Ordnance to the Secretary of War United States.
