A Year In Palm Beach Life In An Alternate Universe:

A Year in Palm Beach Pamela Acheson, Richard B. Myers, 2011-08 The adventures during a couple s year of renting a cottage in Palm Beach are recounted in this memoir that reveals the unexpected side of living in an exclusive island town The day they arrive they are greeted by the police and at the end of their stay they are treated by paramedics even in the time between surprises abound around all corners From foxes to Ferraris and frozen iguanas to parrots and parades this hilarious and engrossing story not only paints a picture of life in Palm Beach that most people even the billionaire mansion owners never experience but also chronicles how much a year in a very different place can teach you about yourself Birding and Mysticism George E. Lowe, 2009-08-31 There is no available information at this time Political Power Al Gore Scott Davis, 2017-10-20 More than 50 million people believed Al Gore should have been President of the United States in 2000 He was practically groomed for the job since childhood But this former Congressman Senator Vice President Oscar winner and Nobel Peace Prize winner followed a different path One of the more fascinating polarizing and perplexing political figures in recent memory Al Gore s life has been a contrast of opposites From Senator s son to environmental movement champion Al Gore is a Political Power „Trust Me – It’s Paradise“ The Escapist Motif in Into the Wild, The Beach and Are You Experienced? Hannes Krehan, 2014 The author analyzes three books on escapism and the various ways in which it is represented in them He focuses on Alex Garland s backpacker cult novel The Beach and William Sutcliffe s satire of the gap year traveler Are You Experienced as well as Jon Krakauer s non fiction book Into the Wild The first part of the analysis deals with the influence of literary genres like the Bildungsroman and travel literature Unreliable narration as a narrative strategy is taken into consideration as well as the colonial subtext of The Beach and Are You Experienced In Into the Wild nature writing and road narratives are an integral part of the narrative The second part deals with cultural aspects such as questions of authenticity that are raised during the narratives the role of drugs as a means of escape and also the problematic relationship between travelers and tourists Finally the author compares two film adaptations Danny Boyle s The Beach 2000 and Sean Penn s Into the Wild 2007 with their corresponding literary source texts **Honestly, She Doesn't Live Here Anymore** Pamela Wick, 2025-04-08 In the charged political landscape of Reagan era Washington a young woman finds herself grappling with her father s high profile scandal and her own impending divorce forcing her to confront her privileged childhood and navigate the notoriety of a personal friendship with the first family I think about my glamorous wedding again I imagine myself choking on a cheese ball in my lace wedding gown guests rushing over arguing about who does the best Heimlich maneuver my face bright red from lack of oxygen Then as if that weren t bad enough I pass out on the dance floor of the tented tennis court where our lavish reception was held My father in his tux at the mic in front of the Les Brown Orchestra telling everyone the marriage won t last and he might go to prison The shattered fairy tale is on a loop inside my head How did my life reverse itself so drastically For Pamela Wick President and Mrs Reagan were simply Ronnie

and Nancy her parents best friends What began with Pamela s mom and Nancy organizing the chili booth at their kids school fair in Los Angeles soon propelled Pamela s parents into pivotal roles that would help Reagan secure the California governorship and eventually the grand prize the White House Determined to win her parents approval as the perfect daughter Pamela marries the son of Republican royalty and joins them in DC to begin her fairytale in the nation s Capitol or so she thought What follows is her firsthand look behind the scenes at the gilded age of the Reagan years in Washington DC an era now long gone Sometimes hilarious sometimes heartbreaking but always insightful the narrative chronicles her journey to penetrate Washington society at the highest levels from Christmas Eve at her family home with President Reagan dressed as Santa Claus to intimate dinners at the White House But behind the golden gates Pam s marriage is unraveling and her father s high profile political scandal threatens to destroy their carefully constructed life Soon she s trading in glitzy state dinners for congressional hearings attacking her father and at the center of the Reagan revolution Pam s own personal uprising begins
