Building Strong Brands David A. Aaker, 2011-11-08 As industries turn increasingly hostile it is clear that strong brand building skills are needed to survive and prosper In David Aaker s pathbreaking book *Managing Brand Equity* managers discovered the value of a brand as a strategic asset and a company s primary source of competitive advantage Now in this compelling new work Aaker uses real brand building cases from Saturn General Electric Kodak Healthy Choice McDonald s and others to demonstrate how strong brands have been created and managed A common pitfall of brand strategists is to focus on brand attributes Aaker shows how to break out of the box by considering emotional and self expressive benefits and

by introducing the brand as person brand as organization and brand as symbol perspectives The twin concepts of brand identity the brand image that brand strategists aspire to create or maintain and brand position that part of the brand identity that is to be actively communicated play a key role in managing the out of the box brand A second pitfall is to ignore the fact that individual brands are part of a larger system consisting of many intertwined and overlapping brands and subbrands Aaker shows how to manage the brand system to achieve clarity and synergy to adapt to a changing environment and to leverage brand assets into new markets and products Aaker also addresses practical management issues introducing a set of brand equity measures termed the brand equity ten to help those who measure and track brand equity across products and markets He presents and analyzes brand nurturing organizational forms that are responsive to the challenges of coordinated brands across markets products roles and contexts Potentially destructive organizational pressures to change a brand's identity and position are also discussed As executives in a wide range of industries seek to prevent their products and services from becoming commodities they are recommitting themselves to brands as a foundation of business strategy This new work will be essential reading for the battle ready
