Aleister Crowley The Eye In The Triangle:

The Eye in the Triangle Israel Regardie,1993 [The Eye in the Triangle](#) Israel Regardie,1970 **Aleister Crowley and Western Esotericism** Henrik Bogdan,Martin P. Starr,2012-09-20 Henrik Bogdan and Martin P Starr offer the first comprehensive examination of one of the twentieth century s most distinctive occult iconoclasts Aleister Crowley 1875 1947 one of the most influential thinkers in contemporary western esotericism **Magia Sexualis** Hugh B. Urban,2006-10-04 Sexuality and the occult arts have long been associated in the western imagination but it was not until the nineteenth century that a large and sophisticated body of literature on sexual magic the use of sex as a source of magical power emerged This book the first history of western sexual magic as a modern spiritual tradition places these practices in the context of the larger discourse surrounding sexuality in American and European society over the last 150 years to discover how sexual magic was transformed from a terrifying medieval nightmare of heresy and social subversion into a modern ideal of personal empowerment and social liberation Focusing on a series of key figures including American spiritualist Paschal Beverly Randolph Aleister Crowley Julius Evola Gerald Gardner and Anton LaVey Hugh Urban traces the emergence of sexual magic out of older western esoteric traditions including Gnosticism and Kabbalah which were progressively fused with recently discovered eastern traditions such as Hindu and Buddhist Tantra His study gives remarkable new insight into sexuality in the modern era specifically on issues such as the politics of birth control the classification of sexual deviance debates over homosexuality and feminism and the role of sexuality in our own new world of post modern spirituality consumer capitalism and the Internet *The Three Dangerous Magi* P. T. Mistlberger,2010-12-10 The Most Dangerous man since Jesus Christ the Sex Guru the Ambassador from Hell the Black Devil of Ashkhabad The King of Depravity and the Wickedest Man in the World These were some of the labels given to three of the most notorious figures of 20th century spirituality Osho formerly known as Bhagwan Shree Rajneesh G I Gurdjieff and Aleister Crowley Beneath the controversies and scandals that swirled around all three the author argues that these men egocentric tendencies notwithstanding were brilliant thinkers and extraordinary masters of their craft that of the science of inner transformation and in particular the art of balancing the so called Left and Right Hand spiritual paths These men were not humble sages They were bona fide crazy wisdom masters and consistently went where angels fear to tread They did not teach with the faint praise of new age fluff or the stuffy platitudes of religious sermons but rather with a flaming sword and were a genuine menace to all seekers who fear to face the abyss of their own egos *Aleister Crowley* Colin Wilson,2005-12-31 Poet Magician Mountaineer Polemicist and Pornographer Aleister Crowley was the most famous or infamous name in twentieth century occultism With his usual flair and style Colin Wilson brings this complex and enigmatic figure to life and provides an engrossing portrait of the self styled Great Beast the man whom the contemporary press dubbed The Wickedest Man in the World The popular image of him as in the words of Francis King an insatiable sexual athlete a pimp who lived on the immoral earnings of his girl friends and a junkie who daily

took enough heroin to kill a roomful of people has a basis in fact but there were other less obnoxious and despicable aspects of this highly original character Crowley's greatest legacy is his eclectic occult system his Magick persists a potent synthesis of Golden Dawn magic oriental esoteric techniques sexual magic and the all encompassing Law of Thelema with its two fundamental principles Every man and woman is a star and the notorious Do What Thou Wilt Shall Be the Whole of the Law
