Trigonometry Cynthia Y. Young, 2011-11-15 *Math Practice, Grade 4* Carson-Dellosa Publishing, 2014-03-15 Kelley Wingate's Math Practice for fourth grade is designed to help students master basic math skills through focused math practice. Practice pages will be leveled in order to target each student's individual needs for support. Some pages will provide clear step by step examples. The basic skills covered include more complex multiplication and division, equivalence, addition, subtraction, and multiplication of fractions, properties of geometric figures, and a comprehensive selection of other fourth grade math skills. This well known series Kelley Wingate has been updated to align content to the Common Core State Standards. The 128 page books will provide a strong foundation of basic skills and will offer differentiated practice pages to make sure all students are well prepared to succeed in today's Common Core classroom. The books will include Common Core standards matrices, cut apart flashcard sections, and award certificates. This series is designed to engage and recognize all learners at school or at home.
