 Parra,Douglas H. Ubelaker,2023-02-09 The first book to specifically focus on the theoretical foundations of humanitarian
 forensic science Anthropology of Violent Death Theoretical Foundations for Forensic Humanitarian Action consolidates the
 concepts and theories that are central to securing the posthumous dignity of the deceased respecting their memories and
 addressing the needs of the surviving populations affected Focusing on the social and cultural significance of the deceased
 this much needed volume develops a theoretical framework that extends the role of humanitarian workers and specifically
 the actions of forensic scientists beyond an exclusively legal and technical approach Anthropology of Violent Death is
 designed to inspire and alerts the scientific community authorities and the justice systems to think and take actions to avoid
 the moral injury in society and cultures due to grave disrespect against humanity its memories and reconciliation
 Humanitarian forensic science faces the role of mediator between the deceased and those who are still alive to guarantee the
 respect and dignity of humanity Contributions from renowned experts address post mortem dignity cultural perceptions of
 violent death and various mortuary sites the forms and critical effects of the so called forensic turn and humanitarian action
 the treatment of violent death in post conflict societies respect for the dead under International Humanitarian Law IHL and
 Islamic law the ethical management of the death of migrants and much more In an increasingly violent world this volume
 develops a theoretical component for death management in scenarios where humanitarian action is required Facilities better
 understanding between the social sciences the forensic sciences and justice systems in situations involving violent death
 Discusses the latest theories from leading scholars and practitioners to enhance the activities of forensic scientists and
 authorities who have the difficult responsibility of making decisions It provides a better understanding of the humanitarian
 and cultural dilemmas in the face of violent death episodes and the unresolved needs of the dignity of the deceased during
 armed conflicts disasters migration crises including everyday homicides Anthropology of Violent Death Theoretical
