of the series NCERT Practice Workbook Math Magic for Classes 1-5. This series would prove to be a great aid to the teachers as well as the learners. The worksheets in this book are designed to help the child comprehend the concepts fully and to improve the mathematical and calculation skills of the learner. The book provides drilling practice with the aim of leading to a deeper understanding of the basic concepts of mathematics. The drilling practice is both learner and teacher friendly as it gives enough opportunity to the teacher to test the retention ability of the learner. Each worksheet is based on the exercises given in the Text Book. Solving of these worksheets would lead to a clear grasp of what is taught. It would also enhance the confidence of the learner to solve mathematical problems with speed and accuracy. It would lead to the application of these concepts in day to day life. Salient features of the book are: Child friendly layout and attractive illustrations to create the interest of the students in the subject. Worksheets are prepared keeping in mind the age and level of understanding of the students. Ample space for writing answers. Includes various types of questions viz. Tick the Correct Answer, Fill in the Blanks, True or False, Word Problems etc. Mental Maths at the end of each chapter to enhance the mental agility of the students. Two Model Test Papers, one for Half Yearly Examination Term 1 and other for Yearly Examination Term 2, have been given. We are sure that the book would prove to be a useful Practice Workbook for the learners. Suggestions and criticism for the improvement of the book would be highly appreciated.
