Amelia Ryan fled Earth's fanatically religious government to live quietly among the aliens of Plasius. Her life of peace shatters when a three man clan from the planet Kalquor kidnaps her and holds her prisoner. But when her body thrills to the ruthless domination of her captors she finds herself surrendering to desires she never imagined possible. **Alien Caged** Tracy St. John, 2017-11-21 They are the enemy a threat to her life and soul. They are also the men she loves and must set free. For most the Earth Kalquor War ended years ago. Yet veteran destroyer captain Zemos and clanmates Oret and Miragin have been captured by a renegade Earther battlecruiser. They've been held in a cell for months now with no idea where their ultimate fate lies. Threatened daily their lives could end at any moment. The only bright spot during their imprisonment has been the lovely woman who brings them their meals and offers the one friendly face amongst their enemies. Elisa Mackenzie is among the desperate Earthers trying to survive in the wake of Armageddon. Surrounded by fanatics who won't give up a long lost war she can't let herself care for the Kalquorians the ship has taken prisoner. Her lonely heart empty for so long has other ideas. Knowing the Kalquorians are dangerous and her fanatical shipmates are even more so Elisa fights her feelings in vain. Ignoring the harsh lessons of long lost youth she falls in love. Zemos Oret and Miragin must escape before the Earthers deliver them to an unthinkable end. They also know the key to opening their cage means turning on the woman who has infiltrated their fierce hearts. Elisa already has their adoration. She deserves their protection and care as well but enemies both new and ancient threaten the Kalquorian Empire. To save their people and themselves the three men may have to destroy the woman who would complete their clan. **Shalia's Diary Book 1** Tracy St. John, 2013-10-21 To Whom It May Concern My name is Shalia Elizabeth Monroe and this is my confession as to my part in bringing about Armageddon. When the Kalquorians entered Earth space during the war they unwittingly triggered bombs hidden beneath the major cities. Now Earth's former enemies rush to save the survivors left on a dying planet. Told from the viewpoint of survivor Shalia Monroe this journal traces the first few weeks following Armageddon as she struggles to keep herself and her dementia stricken mother alive. Battling the guilt of her part in Earth's demise is only the

first of many issues Shalia must deal with She also faces man eating alien Tragooms disease and violent gangs of surviving Earthers determined to kill each other in order to claim supremacy Then there are the invading Kalquorians themselves whose intentions may or may not be so innocent One of the aliens Dramok Dusa stalks Shalia in hopes of bringing her back to his people The stunning Kalquorian saves Shalia s life more than once but can she really trust him Shalia must make a decision stay on Earth where she and her mother are doomed to die or accept life in the Kalquorian Empire as a female mate to a clan of three men This is a compilation from the free serial story blog Shalia s Diary A Clans of Kalquor Story by Tracy St John bestselling author of the Clans of Kalquor series that begins with the novel Alien Embrace Mild BDSM including anal play intercourse bondage Dom sub play spankings forced seduction and multiple sexual partners m f m [Alien Outcast](#) Tracy St. John,2018-07 She escaped to Kalquor to warn the empire but did she bring its destruction instead When a rogue Kalquorian raider snags a Bi isil cruiser in Empire space the outlaw crew is hoping for supplies Instead they find a Tragoom and an Earther woman with a dire warning Bi is is set to unleash a fatal plague on the Kalquorian Empire Piper Warren with the help of her friend Ob has faced death to save the Kalquorians from utter destruction Instead of help she stumbles on a ship filled with men who swear no loyalty to anyone but themselves Can she convince them to set aside their lawless ways to save their people Captain Nako turned his back on Kalquor after Fleet Command decommissioned his raider Abandoned by his government he swears he will never lift a finger to aid them not even against the traitor Dramok Maf and his fleet With the new Bi is threat if Nako doesn t do something the empire will fall and its people will die Nako s Nobek clanmate Terig is as fierce as they come However his shameful past destroyed a once promising career and leading his men into battle can only end in defeat But how can he refuse when utter annihilation is racing straight to Kalquor Dual breed Imdiko Ulof is a terror to anyone who crosses him Leaving broken bodies in his wake the ex convict struggles with equally broken dreams No one can tame him until a beautiful Earther and an unlikely new friend show that belief has the power to heal all wounds The survival of Kalquor depends on this unlikely band of misfits Clan Nako learns that love for an Earther woman can make heroes out of outcasts until they discover that Piper harbors dark deadly secrets of her own
