Annie Chau, 2010 When her marriage fell apart Annie Chau knew she had to make a choice She could give up and accept the way things were or she could start her life anew at the age of thirty In I Brag she chronicles her decision to take the risk and everything that comes of it from missteps to successes from pain to excitement from lust to love With an engaging journal writing style Annie chronicles her experiences as she learns how to date in the big bad eat you alive city of Manhattan Her path of discovery is charted through those that she loves From each person that leaves a mark on her soul she walks away with gratitude for the lessons she has learned and the knowledge that she has left her own mark on their souls And the result is a story that will leave a mark on yours A uthor Annie Chau is a true believer in the idea that it is better to have loved and lost than never to have loved at all She lives and works in New York and continues to write about her life as it unfolds Publisher's website <http://www.eloquentbooks.com/IBrag.html> **You Can't Be Serious** Kal Penn, 2021-11-02 Kal Penn's unlikely career arc has taken him from nerdy American kid from an immigrant family in the New York suburb of Montclair New Jersey to world famous actor to White House staffer under President Obama and back to actor again Now in You Can't Be Serious he reflects on the most ridiculous offensive and rewarding moments that have stood out during his journey With intelligence humor and charm on every page Penn explores what it means to be the embodiment of the American Dream as the child of immigrant parents who came to this country with very little and who never expected to see their son get his big break by sliding off an oiled up naked woman in a raunchy Ryan Reynolds movie He also pulls back the curtain on racism in Hollywood and the constant reminders that he would never fit in And of course he reveals how after

twenty five years fighting for success in Hollywood he made the terrifying but rewarding decision to walk away from it all for a career in politics Above all You Can t Be Serious shows that everyone can have more than one life story Penn bravely demonstrates by example that no matter who you are and where you come from you have many more choices than those presented to you It s a story about struggle triumph and learning how to keep your head up And okay yes it s also about whether Kal really smoked weed in the White House with the former First Lady because let s be honest that s what you really want to know
