Zane's enthusiasm, sense of humour and energy were infectious. Without a doubt, a massive 5/5 Young Adult Book Addict. Despite my inclination to listen to stories intended for a more mature audience, I found myself lost and totally engrossed in Kali and Zane's story. I listened to this audiobook straight through, enjoying every minute of it. Wraith is the impressive first book in the YA series *Hawaiian Shadows*. The writing style is very vivid; the author not only puts you there emotionally but also physically in a way that makes you feel the warm ocean breeze of a Hawaiian spring. A fantastic YA listen. Joey's ready for everything to go back to normal, but that might not be possible when every time she's around Wayland, he's dripping with someone's freshly spilled blood. Meanwhile, Jag's losing his patience with Joey's preference for her serial killer best friend. Desperate to keep her life together in a somewhat recognizable way, Joey discovers that a local medium might have a way to calm the regret-fueled rage that plagues both her and Wayland, driving them both further out of control with each passing day. In hopes of a return to normal, she sets out to ask the authorities of the afterlife to grant her and Wayland a real second chance. The ravens stalking her promise that if she doesn't move quickly, she may lose everything she cares about. With a past and a future that can't compromise, tragedy doesn't spare the indecisive.
