Can't Go Home Melinda Di Lorenzo, 2022-01-20 Do you remember Savannah How could she forget Two decades ago Trinity Calhoun's best friend 18 year old Savannah Stuart went missing Just weeks later Savannah's body was found brutally slain outside the mountain town With no suspects or leads the local authorities dismissed the murder as a tragic one off likely perpetrated by a tourist But Trinity wasn't convinced Determined to do better for other victims she left town and settled in Vancouver rising through the ranks to become a detective She's never looked back But now an unexpected phone call from her former lover has her barreling down the highway to face the past Another young woman has disappeared under eerily similar circumstances Allegedly But the local police are disinterested Trinity's ex has a tenuous at best hold on his mental and physical health And Savannah's secretive and handsome brother is in town asking an awful lot of questions Trinity's focus is clouded Maybe her judgment too As she wades through her past she needs to answer a potentially life threatening question is there a dangerous repeat criminal on the loose or is she just desperate for closure
