Bright George,2022-02-25 The ultimate goal of wellness is improved quality of life and longevity. Comprehensive life stage wellness recommendations and treatment interventions in long term healthcare expenses. Clearly defined wellness guidelines for all breeds from the novice to the expert. This is a crucial member of the team. A collaborative approach is generally linked to the best outcomes. This book provides a balanced view of both the veterinary and the owner's perspective. A transparent communication model always begins with the veterinarian and the client. In a truly individualized lifestyle guide, the owner's needs and lifestyle are taken into account. Strong unified recommendations from the multi-member veterinary team will reduce the burden on the client. Discuss future life stage recommendations beginning with the first visit to help the client understand the importance of making it easy for the client to comply. Consider types of timing for preventive medicine and the risks and benefits and provide a clear management plan carrying out the client's needs. Discuss healthcare financial planning to help the owner understand the costs associated with optimal health. Discuss plans including the risks and costs of insurance and other financial planning to help the owner understand the optimal wellness plan. Staging for duration of life and veterinary management help ensure compliance and ensure that the client receives as many of the wellness recommendations as possible.
