ID Theft United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Technology, Terrorism, and Government Information,2001 **Japan and the Global Automotive Industry** Koichi Shimokawa,2010-06-03 The Japanese automotive industry enjoyed spectacular success in the 1980s This was largely due to the so called Lean Production System the combination of an efficient production system an effective supplier system and a product development system In the 1990s the industry fell on hard times because of the Japanese asset price bubble and extreme currency appreciation In this book eminent industry specialist Koichi Shimokawa draws on his thirty years of research and fieldwork with Japanese and American firms to show how the Japanese automotive industry has managed to recover from this difficult period He shows how firms like Toyota were able to transfer Japanese systems to overseas plants and how they have changed in order to compete in increasingly globalized markets In addition the book also addresses the two major challenges to the current industry model the rise of China and the environmental and energy supply situation **Federal Register** ,2000-02-08
