Whore Fannie Spanker, 2025-08-12 Some cops love themselves Some cops know they're human garbage I was a parking cop the rotten ichor stubbornly coating the bottom of the bin I'd been there 12 years tearing up parking tickets and watching the world pass me by from the comfort of my fancy air conditioned tricycle I refused to play by the rules ACAB goes the day's refrain I'm ashamed to admit that included me the baddest cop in the department But even a bastard might redeem herself if you give her a second chance Then I got lucky A dame came into my life the kind that rolls with hot commodities and deals in illicit medication She forgave me my sins and gave me that second chance in exchange for my virginity and helped me pick up the trail of a missing activist the police were doing nil to find I made my way to the Red Light District to continue my search for our gone guy where I made an unexpected customer another dame powerful and corrupt only asking for a little company and my complete and eternal loyalty for which I would receive an easy grand and a special job Then another dame with a knack for picking locks and pissing off her coworkers joined me in sexual servitude then a pretty little cupcake and a dapper gentleman showed me what real men are like then a doll with hazel eyes and a doctor of the dead joined my growing found family In less than a week I was drowning in nookie I could have stopped at the one dame but I can't resist a hot muffin or a silky creampie My nose is as good at picking up on perfume as it is at sniffing out crime And I'm a sucker for the human bouquet [The Essential Works of R. How cross species companionship is figured across a variety of media and why it matters Learning Without Lessons David F. Lancy,2024-01-09 In Learning Without Lessons David F Lancy offers the first attempt to review the principles and practices for fostering learning in children that are found in small scale pre industrial communities across the globe and through history His analysis yields a consistent and coherent pedagogy that can be contrasted sharply with the taken for granted pedagogy found in the West His analysis finds that teachers classrooms lessons verbal instruction testing grading praise and the use of symbols are rare or absent from indigenous pedagogy Instead field studies document the prevalence of self guided learners who rely on observation listening learning in play from peers the hands on use of real tools and learning through voluntary participation in everyday activities such as foraging **Bully Girl Magazine Issue 80** LeVar D.
