Bulson,2006 Believe what you read are the first words used in the presentation of the Book of the Gospels to a newly ordained deacon by his bishop In keeping with this spirit Michael E Bulson presents this collection of timeless homilies for deacons Deacon Bulson always roots the homilies in scripture readings supplemented by such diverse sources as Kathleen Norris St Thomas Aquinas Anthony de Mello Karl Rahner St Augustine Henri Nouwen the movie Schindler s List and many others The result is a homiletic resource for deacons that is ever ancient ever new in the words of Augustine a bishop who had a particular love and admiration for his deacons Book jacket **95 Prostheses** Frank G. Honeycutt,2018-01-18 Five hundred years after Luther s famous posting of his 95 Theses in 1517 the church again faces an important crossroads Sunday worship attendance is shrinking at alarming rates There are now more Elvis believers in the US than Episcopalians and almost limitless spiritual options exist for those who seek faith and trust in something but are hesitant to commit to a particular path leading to truth The word prosthesis normally associated with surgery is also an apt word to describe the church s need to forge a theological identity that fits our current context The church faces change and a transformed body but not at the expense of the biblical richness and tradition that fueled the restlessness of the reformers The essays gathered here arranged around the seasons of the church year address familiar challenges faced by all pastors and leaders in an era of transition specifically in Christian formation and discipleship Appropriate for group and personal reflection 95 Prostheses employs humor and biblical accessibility with the skeptical outsider who may be considering Jesus and his church for the first time in mind
