MOLMAN, 2022-06-21 Fantasy sci fi romance crime novel Helga lives in a world where everyone has some kind of a magical gift and magic exists side to side with advanced technologies. Thanks to her talent of a martial healer, the girl gets a job in a secret organization specializing in healthcare and longevity, boosting magical innovations. Helga's promotion is followed by a series of mysterious and frightening events. On top of that, a complicated relationship with an attractive colleague does not make it easier for the girl. Will she be able to identify the source of danger, uncover her suitor's plans, and most importantly, stay alive? This book offers a reader a few hours of adventures, thrill, and positive emotions. You will follow the characters while they fly through the air, converse with wise and kind creatures, solve mysteries, and fall in love. Unusual happy ending will give you a feeling that any misfortune can after all lead to a wonderful life. The Anglo-Boer War 1899-1902: 963 Days Pieter G Cloete, 2021-12-01 Since the start of the Anglo Boer War today 120 years ago, thousands of publications written or typed reports and other creations have been produced to narrate the war events, express opinions on its origins, causes, course, results, and legacy, and on participants in the struggle. This process is ongoing since the debate amongst both professional historians and interested amateurs on exactly what happened and why is still raging, and new information on the war still crops up. The history of the Anglo Boer War is truly a never-ending discourse. As the author of a number of books on the war, I have consulted hundreds of both published and unpublished sources. Some were of limited value, but a small percentage of the published books were of such high value that they formed part of a small stack of books that found a permanent home on my desktop while I was in the writing process. Pieter Cloete's *The Anglo Boer War: A Chronology*, both the original English version and the enlarged Afrikaans version published in 2010, was always part of that stack. It is to me a privilege to write a foreword for the user-friendly and meticulously researched book. It not only contains a wealth of information but a detailed source list and an extensive index. There are few, if any, more helpful reference books on the war, and thus represents an essential resource to anyone with a more than superficial interest in the Anglo Boer War. DR JACKIE GROBLER, Historian and author. Recently retired after 40 years at the Department of Historical and Heritage Studies, The University of Pretoria.
