The Routledge Companion to Radio and Podcast Studies Mia Lindgren, Jason Loviglio, 2022-06-15 This comprehensive companion is a much needed reference source for the expanding field of radio audio and podcast study, taking readers through a diverse range of essays examining the core questions and key debates surrounding radio practices, technologies, industries, policies, resources, histories and relationships with audiences. Drawing together original essays from well established and emerging scholars to conceptualize this multidisciplinary field, this book's global perspective acknowledges radio's enduring affinity with the local historical relationship to the national and its unpredictably transnational reach. In its capacious understanding of what constitutes radio, this collection also recognizes the latent time and space shifting possibilities of radio broadcasting and of the myriad ways for audio to come to us live. Chapters on

terrestrial radio mingle with studies of podcasts and streaming audio emphasizing continuities and innovations in form and content delivery and reception production cultures and aesthetics reminding us that neither radio nor podcasting should be approached as static objects of analysis but rather as mutually constituting cultural forms This cutting edge and vibrant companion provides a rich resource for scholars and students of history art theory industry studies journalism media and communication cultural studies feminist analysis and postcolonial studies Chapter 42 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

The Informal Media Economy Ramon Lobato, Julian Thomas, 2018-06-05 How are grey market imports changing media industries What is the role of piracy in developing new markets for movies and TV shows How do jailbroken iPhones drive innovation The Informal Media Economy provides a vivid original and genuinely transnational account of contemporary media by showing how the interactions between formal and informal media systems are a feature of all nations rich and poor large and small Shifting the focus away from the formal businesses and public enterprises that have long occupied media researchers this book charts a parallel world of cultural intermediaries driving global media production and circulation It shows how unlicensed untaxed or unregulated networks which operate across the boundaries of established media markets have been a driving force of media industry transformation The book opens up new insights on a range of topical issues in media studies from the creative disruptions of digitisation to amateur production piracy and cybercrime
