

WHY LEADERSHIPS SKILLS ARE IMPORTANT?

To succeed, today's leaders must be able to adapt and lead in challenging environments. Here are five reasons to develop your leadership skills.

Ensures Business Goals

A successful leader ensures that the organization is on the right track of achieving its goals.

Develop a clear vision

This pushes the employees to work harder, and they have their eyes on the goal.

www.learningeverest.com

Build strong relationships

Organizational leadership needs to follow up if an employee has done well and needs to be rewarded to increase employee motivation.

To communicate

Once an organization decides on a new strategic goal, leaders must communicate this through emails or employee meetings.

Continuous learning

A good leader will go out of their way to ensure that their employees learn more.

Self-management and Leadership Development

Mitchell Grant Rothstein, Ronald J. Burke, 2010-01-01 This book is based on a really important timely and relevant idea to bring together sources on the self management of leadership development The book is important because almost all leadership development relies to a great degree on the leader s capability to manage his or her personal development It is timely because there is currently no single volume that covers the topic and it is relevant because leadership is such an extremely important issue for the success of our organizations countries and society in general The editors have done a thoroughly professional job in identifying top quality authors and combining their contributions into a very worthwhile volume Ivan Robertson University of Leeds UK Self Management and Leadership Development offers a unique perspective on how leaders and aspiring leaders can and should take personal responsibility for their own development This distinguished book is differentiated from other books on this topic with its view on the instrumental role played by individuals in managing their own development rather than depending on others such as their organization to guide them Expert scholars in the area of leadership emphasize the importance of self awareness as the critical starting point in the process Explicit recommendations are provided on how individuals can manage their own self assessment as a starting point to their development The contributors present insights and practical recommendations on how individuals can actively self manage through a number of typical leadership challenges Business school faculty teaching electives in leadership and managers who engage in leadership development for themselves or others should not be without this important resource Consulting firms and training institutions offering leadership development programs and participants in MBA and executive development programs will also find it invaluable
