The book offers a mathematically rigorous exploration of different topics framed in an easy-to-digest set of examples and analogies, including stories from some legendary hedge fund investors. Readers will be guided from the historical to the cutting edge while building a framework of understanding that encompasses it all. Features filled with novel examples and analogies from within and beyond the world of finance. Suitable for practitioners and graduate-level students with a passion for understanding the complexities that lie behind the raw mechanics of quantitative hedge fund investment. A unique insight from an author with experience of both the practical and academic spheres. *Your Best Guide to Stock Investing* Celso P. Vivas, 2017-11-01 A well-informed and actively engaged shareholder base is a key contributor to ensuring that companies conduct their business with competence, integrity, and transparency. This requires companies to adopt the principles of good corporate governance, which is one of the main drivers of creating shareholder value and growth in our capital markets. It is in this light that I would like to congratulate SharePHIL for publishing *Your Best Guide to Stock Investing* to educate and guide the investing public. The handbook is a big step forward to good governance for all of us. Manuel V. Pangilinan, chairman, Metro Pacific Group of Companies **The Complete**

Guide to Investing in Property Liz Hodgkinson, 2010-04-03 Despite the current volatility in housing markets around the world, property ownership continues to be seen as safer and more reliable than many other types of investment. However, property investment remains a complex business. For example, what type of investment is best for a portfolio? Has every single expense been accounted for in renovating that bargain property? What exactly are the implications of the credit crunch and the subprime market for the average property investor? *The Complete Guide to Investing in Property* looks at all aspects of generating money from property, whether that be by renting out spare rooms to lodgers, property development, buying land, holiday rentals, or becoming a landlord. Fully updated for this fifth edition, it takes a fresh look at investing in the social housing market and using property as part of a pension plan, as well as providing commentary on the latest legislative

developments governing landlords and tenants
