car chase and the eventual arrest of O J Simpson for the murders The televised trial that followed was unlike any that the nation had ever seen Long since convinced of O J s guilt the world was shocked when the jury of the trial of the century read the verdict of not guilty To this day the LAPD Los Angeles District Attorney s office mainstream media and much of the world at large remain firmly convinced that O J Simpson got away with murder According to private investigator William Dear it is precisely this assuredness that has led both the police and public to overlook a far more likely suspect Dear now compiles more than seventeen years of investigation by his team of forensic experts and presents evidence that O J was not the killer In O J Is Innocent and I Can Prove It Dear makes the controversial but compelling case that it may have been the overlooked suspect O J s eldest son Jason who committed the grisly murders Sure to stir the pot and raise some eyebrows this book is a must read
