Lusch, Stephen L. Vargo, 2014-12-18 Expanding on the editors award winning article *Evolving to a New Dominant Logic for Marketing* this book presents a challenging new paradigm for the marketing discipline This new paradigm is service oriented customer oriented relationship focused and knowledge based and places marketing once viewed as a support function central to overall business strategy Service dominant logic defines service as the application of competencies for the benefit of another entity and sees mutual service

provision rather than the exchange of goods as the proper subject of marketing It moves the orientation of marketing from a market to philosophy where customers are promoted to targeted and captured to a market with philosophy where the customer and supply chain partners are collaborators in the entire marketing process The editors elaborate on this model through an historical analysis clarification and extension of service dominant logic and distinguished marketing thinkers then provide further insight and commentary The result is a more comprehensive and inclusive marketing theory that will challenge both current thinking and marketing practice **Uncertainty in Artificial Intelligence 4** T.S. Levitt,L.N.

Kanal,J.F. Lemmer,R.D. Shachter,2014-06-28 Clearly illustrated in this volume is the current relationship between Uncertainty and AI It has been said that research in AI revolves around five basic questions asked relative to some particular domain What knowledge is required How can this knowledge be acquired How can it be represented in a system How should this knowledge be manipulated in order to provide intelligent behavior How can the behavior be explained In this volume all of these questions are addressed From the perspective of the relationship of uncertainty to the basic questions of AI the book divides naturally into four sections which highlight both the strengths and weaknesses of the current state of the relationship between Uncertainty and AI Books and Pamphlets, Including Serials and Contributions to Periodicals Library of
