All That Remains Janice Kay Johnson, 2011-10-04 Wren Fraser can think of better times to go into labor Say when she is not on the run or when there is a hospital nearby Better yet when there is not a major flood trapping her in an abandoned house She needs a rescue now It arrives in one Alec Harper Strong competent and good looking the detective keeps her safe and doesn't leave her side He even takes in Wren and the baby when they have no place to go For a woman wanting her independence it is shocking how quickly she settles in with Alec The situation seems a bit too domestic And the sizzling attraction between them is making things worse She keeps telling herself to walk away yet she can't Or should that be she doesn't want to
